NOTICE OF HEARING

To: Freddie Charles Arnold -Estate-
111 Ridgeway Drive
Ridgeland, MS 39157

You have been made a party in a hearing to be conducted before the Mayor and Board of Aldermen of the City of Ridgeland, Mississippi to determine pursuant to Mississippi Code 21-19-11 whether a parcel of land located at **111 Ridgeway Drive, Ridgeland, MS 39157**, owned by you, is in such a state of uncleanness to be a menace to the public health, safety, and/or welfare of the community.

It is in your best interest to be present before the Mayor and Board of Aldermen of the City of Ridgeland at its meeting dated **Tuesday, April 19, 2022, at 6:00p.m.** at the Ridgeland City Hall, 100 W. School Street, Ridgeland, Mississippi 39157, wherein the determination of whether your property is a menace to public health and safety of the community will be made. Should you not be present, a finding that it is a menace to the public health, safety, and/or welfare of the community may be made. Adjudication at this hearing will authorize the City of Ridgeland to enter and clean this property, and all costs associated with the cleaning may become a civil debt against you or become an assessment against the property. Adjudication would also authorize the City of Ridgeland to re-enter and clean the property for a period of two (2) years after the hearing without any further hearing if notice is posted on the property or parcel of land and at Ridgeland City Hall or another place in the municipality where such notices are generally posted at least seven (7) days before the property or parcel of land is re-entered for cleaning.

Should you have any questions prior to the scheduled hearing, please contact **Georgia Myrick, City of Ridgeland Code Enforcement Manager**, at 601-856-3877 during normal business hours.

SUBJECT: Special Event – McB's Crawfish Boil

I have attached a request for a Special Event Permit from Ginny Dehart with McB's Bar and Grill. This event is a Crawfish Boil scheduled for Saturday, April 30, 2022 from 11:00 a.m. to 8:00 p.m. at McB's Bar and Grill located at 815 Lake Harbour Dr.

Ms. Dehart is expecting approximately 400 participants. Arrangements have been made for restrooms facilities to accommodate participants, as well as additional offsite parking with shuttle service. McB's staff will be responsible for set-up and clean-up upon conclusion of the event each day.

A post assignment has not been completed for this detail yet, but the event will require two (2) officers for approximately nine (9) hours. The use of reserve officers will be made if they are available.

Attached documents include the Special Event Permit Application, Permit to Play on Premises Music, as well as an overview map of the event location. Checks in the amounts of \$100.00 and \$1,000.00 representing the filing fee and bond fee were received with the application.

Your consideration and approval will be greatly appreciated.

CC: Lt. Brian Myers

Application Instructions

- 1). You must present to the Chief of Police or his designee your plan for parking and traffic control. You must state in this plan whether or not police or private security personnel will be needed to direct and handle traffic and parking.
- 2). City of Ridgeland Special Events Ordinance section 10-33(2) requires adequate security be provided at special events. This requirement is one security officer for every 400 people in attendance. A private security company may be used but preference shall be given to the hiring of off duty personnel. The assistance from Ridgeland Police Department for road course races/walks to secure intersections shall not be considered as part of the security requirement. The personnel assigned for traffic control are in addition to any requirement for on-site security personnel required in the ordinance.
- 3). If the event is to have outdoor music, a Permit to Play on Premises Music will be required from the applicant agreeing to comply with the noise ordinance of the City of Ridgeland, MS.
- 4). If there is a need for Police Dept., Fire Dept., Public Works Dept. and/or Rec/Parks Dept. personnel to work in controlling the special event, the applicant will agree to pay this cost from the filing of a bond fee.
- 5). The applicant may be required to post a bond fee in the minimum amount of one thousand dollars (\$1,000.00) with the City Clerk. This is to ensure that the event area is immediately cleaned up after its conclusion, and any City employee who works overtime as a result of the special event, will be compensated from the bond proceeds.
- 6). Submit the above application and information to the Office of the Chief of Police with a non-refundable filing fee of one hundred dollars (\$100.00) along with the above referenced bond fee. This application will be forwarded to the Patrol Division Commander or a designee who will review the application for all required documentation. This application and documentation will be presented to the Ridgeland Board of Aldermen for subsequent approval. **Please allow a minimum of 30 days to complete the process and receive approval.**

- 7). Event organizers should submit a map outlining the area where an event is to be held. Points of interest (entrance/exit points, first aid stations, etc...) shall be included on this map. If the event is a road race/walk, a map reflecting the proposed course route along with a description of the route shall be included. If any portion of the route will include sections of the Natchez Trace Parkway, you must first obtain approval from the Natchez Trace Chief (phone no. 662-680-4014; Ridgeland office 601-856-7321) and documentation reflecting this approval must be submitted with this application.
- 8). If the event is to be held at Old Trace Park and/or Madison Landing, you must first seek approval from PRVWSD Parks and Recreation (601-856-6319) and obtain a Facility Use Application which must be submitted with this application.
- 9). The number of event personnel will represent the number of people from the organization who will be assisting with the overall operation of the event. This will include any volunteers from the organization.
- 10). The arrangements for restroom facilities as addressed in the Ridgeland Code of Ordinances indicate 1 restroom per 150 people in attendance. These may be portable restrooms or existing restroom structures.
- 11). The event organizer or organization will be responsible for clean-up at the conclusion of the event. The City of Ridgeland encourages organizations to participate in a recycle program for any waste or debris to be discarded.
- 12). The first aid station located on the event site shall be manned by a state certified EMT.
- 13). The number of police/security personnel shall be determined by the expected crowd size. The event organizer may staff the event to satisfy this requirement through off-duty law enforcement personnel. The Ridgeland Police Department will assist the organizers if they choose the police department assigned option, or the event organizers may choose the self-hire option to select their own personnel to comply with the ordinance.
- 14). In accordance with City of Ridgeland Mobile Food Vending Ordinance (Chapter 22, Article V), any special event organizer who utilizes the services of a mobile food truck or pushcart must comply with the requirements under this above referenced section. If you utilize the services of a mobile food vendor, the applicant named on this permit will ensure the requirements under section 22-203 (b) are met and obtain a Special Event Mobile Food Vending Permit from the City of Ridgeland Department of Finance and Administration.

VSX-II LED Specifications

*Universal Arm Mount (UAM) Version Shown.

Project Name:

Catalog Number:

Type:

The **VSX-II LED** Series offers clean, functional styling that is defined by its sleek low profile design and rugged construction. It combines LED performance and advanced LED thermal management technology and provides outdoor lighting that is both energy efficient and aesthetically pleasing.

The LED's performance and the driver's life are maximized by enclosing them in two separate cast aluminum housings. Easy captive screw access for mounting and maintenance.

The LED light assemblies come with 16 to 48 LEDs. Eight optical distribution patterns are available. Choose between 3000, 4000 or 5000 Kelvin temperature of the LEDs.

A durable polyester powder coat finish is guaranteed for five years; and is available in standard or custom colors.

The **VSX-II LED** series is an exceptional choice for commercial parking lots, office complexes, architectural projects, and other general lighting projects.

Housing

Cast aluminum LED housing with integral cooling fins for thermal management.

Mounting Arm/Driver Compartment

Durable two-piece die cast aluminum driver compartment utilizes stainless steel hardware and sealed with a one-piece silicone gasket.

Thermal Management

- The VSX-II series provides excellent thermal management by mounting the LEDs to the substantial heat sink of the housing. This enables the Luminaire to withstand higher ambient temperatures and driver currents without degrading LED life.
- The L70 test determines the point in an LEDs life when it reaches 70 percent of its initial output. The VSX-II series LEDs have been determined to last 100,000+ hours in 25° C environments when driven at 350 mA.

Optical System

- The highest lumen output LEDs are utilized in the VSX-II series. IES distribution Types I, II, III, IV, IV-A, V, V-W and V-WR are available. The optical system qualifies as IES full cutoff to restrict light trespass, glare and light pollution.
- CRI values are 70.

Quali-Guard® Finish

- The finish is a Quali-Guard® textured, chemically pretreated through a multiple-stage washer, electrostatically applied, thermoset polyester powder coat finish, with a minimum of 3-5 millimeter thickness. Finish is oven-baked at 400° F to promote maximum adherence and finish hardness. All finishes are available in standard and custom colors.
- Finish is guaranteed for five (5) years.

Electrical Assembly

- The VSX-II LED series is supplied with a choice of 350, 530, 700 or 1050 mA high-performance LED drivers that accept 120v thru 480v, 50 Hz to 60 Hz, input. Power factor of 90%. Rated for -40°C operations.
- 10 kV surge protector supplied as standard.
- Terminal block supplied as standard on AM, SAM and UAM as standard

Warranty

- Five (5) year Limited Warranty on entire system, including finish. For full warranty information, please visit visionairelighting.com.

Mast Arm Fitter fits over a 1 5/8" - 2 3/8" tenon.

**Knuckle Mount (KM)**

An adjustable knuckle slip fits over a 2 3/8" Tenon, and allows for up to 90° degrees of vertical adjustment in 10° degree increments from horizontal, as well as full side to side adjustment.

**Adjustable Wall Mount (AWM)**

Wall Mount - Adjustable up to 50° in 10° increments.

VSX-II LED Specifications

Twist lock Photocell & Receptacle - Dusk to dawn sensor.

Photocell Receptacle and Shorting Cap

Round Pole Plate Adaptor (RPP) - Round Pole Plate Adaptor (RPP) to be used with round pole.

Cast Wall Plate - Arm Mount Wall Plate is needed to wall mount the VSX-II.

Motion Sensor -
*This option will require one FSIR 100 remote for programing.

Motion Sensor (for SAM, UAM, MAF, KM, WM, AWM) -
*This option will require one FSIR 100 remote for programing.

The FSP-211 by Legrand is integrated into the VSX housing and provides multi-level control based on motion and/or daylight contribution.

Lens Coverage Patterns:

WSC-8	360° lens, maximum coverage 48'; diameter from 8' height
WSC-20	360° lens, maximum coverage 48'; diameter from 20' height
WSC-40	360° lens, maximum coverage 100'; diameter from 40' height

Motion Sensor Default Settings

High Mode	0 Volts
Low Mode	1 Volts
Time Delay	5 Minutes
Cut Off	1 Hour
Sensitivity	Maximum
Hold Off Set Point	4ft
Candles	N/A
Ramp Up	None
Fade Down	None
Force Off Set Point With Occupied	Disable

House Shield - Provides
solid back light cutoff

House Shield

UPMA

The Universal Pole Mount Adaptor is ideal for retrofit applications with existing square poles. This adaptor is slotted to fit any existing drilling pattern, up to 6 1/2" bolt to bolt maximum.

UPMA-R

The Universal Pole Mount Adaptor Round is ideal for retrofit applications with existing round poles. This adaptor is slotted to fit any existing drilling pattern, up to 6 1/2" bolt to bolt maximum.

CLS

The Back Side Cutoff Louver Shield will reduce light output behind the fixture, all of the light will be focused in front of the VSX.
*Not to be used with KM

LCLS

The Left Side Cutoff Louver Shield will reduce light output on the left side of the fixture, all of the light will be focused on the right side of the VSX.
*Not to be used with KM

RCLS

The Right Side Cutoff Louver Shield will reduce light output on the right side of the fixture, all of the light will be focused on the left side of the VSX.
*Not to be used with KM

Bug Rating -

The subzones are individually rated on a scale from 0 to 5, going from lowest to highest luminous flux.

The highest rating of a subzone is considered the overall rating for that zone, and these readings are compiled into the BUG lighting classification: for example, B3 U1 G0. The tables below, which are based on the standards established by the IES, show the thresholds for each subzone.

Bug Rating -

The subzones are individually rated on a scale from 0 to 5, going from lowest to highest luminous flux. The highest rating of a subzone is considered the overall rating for that zone, and these readings are compiled into the BUG lighting classification: for example, B3 U1 G0. The tables below, which are based on the standards established by the IES, show the thresholds for each subzone.

Hadco FlexScope B9 accent line-voltage landscape luminaire has interchangeable optics 20°, 36° and 65° by switching optic lenses. This adjustable luminaire also has the ability to switch between 5 preset light outputs.

B9	D	—		
B9 Accent line-voltage luminaire	D LED	W Warm (3000K) C Cool (4000K)	A Black H Bronze	blank None SP1 120-277V, 10K

Features

1. Housing/Construction: A360 die-cast aluminum, able to remove shroud from housing with 2 screws. Adjustable knuckle stem provides range of rotation, prevents fixture from pointing past vertical. Vibration locking teeth secured by black oxide stainless steel screw. Driver mounts directly to housing for thermal management. All gaskets are 100% molded silicone.
2. Electrical: 34W (on high setting) Input voltage range (VAC): 120-277V. Pre-wired with 12+” pigtail for ease of connection. Includes 0-10V Analog Class 2 wiring for dimming, capped off to help prevent cross wiring with line-voltage wires.
3. LED Board: Single COB LED Array.
4. Controls: Class 2 driver with AOC and 0-10V dimming. Design allows easy-access to integral switch with 5 preset light outputs, see lumen matrix. Remove lens cap with [2] screws and simply adjust the slider switch by hand.

5. Optical Systems: Flat glass, soda lime tempered clear glass, c-channel gasket slips onto lens without tools or RTV. Fixture pre-installed with medium flood (36°) optical lens. Interchangeable optical lenses clip onto main reflector. Both narrow flood (20°) and wide flood (65°) optical lenses are shipped with each fixture. Components are made of injection molded polycarbonate (PC).

6. Mounting: 1/2”-14 NPSM male threads to screw onto mounting stake, or other mounting accessory, sold separately.

Finish

Thermoset polyester powder coat is electrostatically applied after a five-stage conversion cleaning process and bonded by heat fusion thermosetting.

Integral LED module

Options

Optional integral surge protection device provides single phase protection for line/neutral, line/ground, and neutral/ground in accordance with IEEE C62.41 2002C High.

IP66 Rating

Dust tight and sealed against direct jets of water.

Labels

ETL Listed to U.S. safety standards for wet locations. cETL listed to Canadian safety standards for wet locations. Manufactured to ISO 9001:2008 Standards. 5-year limited warranty.

example: 7925MD

Series	Degree of Slope
7925 Sloped Ceiling Adapter 6"	MC 5° MD 10° ME 15° MF 20° MG 25° MH 30°

Sloped Ceiling Adapter Features

1. Material: 16 ga. spun aluminum, matte white finish.
2. Installation: Installs with standard recessed fixture in sloped ceilings without changing the vertical axis of the fixture or its lighting characteristics.
3. Perforated Tabs (4): Provide temporary support for the slope ceiling adapter during installation.
4. Locking Screws (4): Secure slope ceiling adapter to mounting frame of fixture.
5. Support: Fixture must be supported by ceiling structure — not Slope Ceiling Adapter.

1. There is a 3000lm (30) limit with 6" (6RA) IC housings.
2. Universal 120-347V is for 0-10v (Z10) dimming configurations only. For 347V non-Z10 dimming, order 347V (3) frame with (U) light engine/trim.
3. Interact Pro (RADIO), Emergency (EM6) and Chicago Plenum (LC) are only available with New construction (N) installs.
4. EM6 option compatible with new construction (N) frame only. Order CAEM6TSCP ceiling mounting plate accessory for remote mounted test switch. EM6 option not compatible with Power over Ethernet or 347V configurations.
5. Integral Interact Pro RF sensor enables network lighting control; to be specified with 0-10V light engines only.
6. ELV (E) dimming is only compatible with 1000lm (10), 1500lm (15), 2000lm (20) configurations. Not compatible with 347V frame options.
7. Specify standard UNV frame for use with 347V light engines.
8. The 347V light engine voltage option is available only with Z10 dimming option.
For other dimming protocols order (U) light engine and 347V (3) frame.
9. Requires IRT9015 IR remote & Interact Pro App for commissioning.

Z6RDL EasyLyte 6"

Round Downlight

Features

Optics

- Provides a 70° cutoff (physical and reflected)
- Wide beam distribution for general illumination
- Spun aluminum outer reflector with integral flange painted white
- Injection molded plastic trim inserts in splay and baffle options
- Reflectors available in painted clear diffuse, white, black and dark bronze

Quality of light

- Lumen Maintenance: L70 at 60,000 hours
- Color consistency: 3 SDCM
- 80 CRI minimum

Construction (New Construction)

- Galvanized stamped steel for dry / plaster ceilings.
- Pre-installed telescoping mounting bars (13" - 24")
- Frame accommodates C- channel, black iron, and 3/4" EMT for mounting distances greater than 24" between joists.
- Manufactured from 20 gage galvanized steel construction with rolled edge aperture to guide cutting tools for perfect hole cutting.

**Max ceiling thickness is 2" (51 mm).
Including PoE frame 4.88" (124 mm).**

Patented install Mounting frame

- Pre-installed mounting bars allow for fast and tool-less install into T-grid and hat channel ceilings
- Close-cut aperture design eliminates an undesired gap between ceiling material and reflector.
- Simple plug-and-play connection between frame and light engine from below the ceiling allows for:
 - Easy upgrades
 - Technology changes
 - Repairs and troubleshooting

Dimming

120/277V

- Advance 0-10V 1% dimming
- Lutron Hi-lume EcoSystem H Series 1% dimming

347V

- Integral 347V drivers available for 0-10v (Z10) light engine configurations with standard universal frames.
- For 347V and non-0-10v dimming, order (U) light engine and 347V (3) frame (includes step down transformer). Not compatible with ELV dimming.

Emergency

Remote ceiling mounted test switch. Accessory ceiling mounting plate available (CAEM6TSCP) for remote mounted test switch. See Calculite-LyteProfile-EasyLyte Emergency Battery Pack specification sheet for more details.

Power over Ethernet

Powered via Philips PoE lighting controller: complies with FCC rules per Title 47 part 15 (Class A) for EMI / RFI (conducted & radiated). PoE lighting controller accessible from below ceiling.

Rated life: 60,000 hrs at 70% lumen maintenance based on IES LM-80-08 and TM-21-11.

Options and Accessories

Field Installed Emergency: Refer to Calculite-LyteProfile-EasyLyte Emergency Battery Pack specification sheet for more details.

CAEM6: Field install EM6 kit with Bodine BSL6 6W battery pack with self-test/self-diagnostic, mounts to new construction frame. Includes ceiling plate for remote test switch.

CAEM6TSCP: Ceiling cover plate for remote mounted EM6 test switch. 1" (25mm) hole, 4 3/8" (109mm) x 2 3/8" (69mm) rectangular. Includes two mounting screws.

ENERGY STAR® exceptions

- 500lm configurations
- Black & Dark bronze finishes

Finishes

White

Brightest aperture when illuminated and provides the smoothest transition to most ceilings when off (only available with a white flange).

Black

Specular finish that provides the lowest aperture brightness possible and reduces source identification in a ceiling significantly.

Dark Bronze

Specular finish that provides the lowest aperture brightness possible and reduces source identification in a ceiling significantly.

Clear diffuse

Slightly diffuse clear finish that softens the light and reduces the mirror image effect with traditional aluminum specular finishes (only available with a white flange).

Wireless Controls Options

Interact Pro scalable sensor

(System Bridge Accessory with -CS option):

- CS is a connected sensor with integral occupancy and daylight sensing and supports wireless mesh connectivity.
- The sensor works in the Foundation mode (similar to SpaceWise) when configured without a gateway or in an Interact Pro Advanced or Enterprise mode if a compatible gateway is used.
- Interact Pro includes an App, a portal and a broad portfolio of wireless luminaires, lamps and retrofit kits all working on the same system.
- Startup is implemented via Interact Pro App (Android or iPhone) & Bluetooth connectivity. The App provides flexibility to choose between a gateway or non gateway mode for setup.
- Setup with the gateway requires wired internet access to the gateway. It is possible to add a gateway at a later point.
- Prepare project configuration steps remotely and use IRT9015 remote onsite to identify and group devices together.
- Compatible with:
 - UID8451/10 wireless dimmer switch
 - SWS200 wireless scene switch
 - Battery powered IP42 presence sensor OCC sensor IA CM WH 10/1
 - Battery powered IP42 presence & daylight sensor OCC-DL sensor IA CM IP42 WH
 - Battery powered IP65 presence sensor OCC sensor IA CM IP65 WH
 - Battery powered IP65 presence & daylight sensor OCC-DL sensor IA CM IP65 WH
- For more information on Interact Pro visit: www.interact-lighting.com/interactproscalablesystem.

Interact Pro Enterprise

(System Bridge Accessory with -SB option):

- A wireless IoT connected lighting solution for large enterprises that span across multiple floors, buildings and require multiple gateways.
- View all your projects under one dashboard and easily compare insights from multiple projects in one view.
- Compatible with UID8451/10 wireless dimmer switch, SWS200 wireless scene switch, wireless Occ sensor (OCC SENSOR IA CM IP42 WH 10/1) and wireless Day/Occ sensor (OCC MULTI SENSOR IA CM WH 10/1) and wireless Occupancy or Daylight & Occupancy sensors available.
- Use Interact software and insights to increase building efficiency, achieve building wide integration and optimize space through occupancy analytics.
- SB option in addition to occupancy and daylight sensing supports advanced IoT capabilities such as people estimation analysis, desk level temperature & humidity sensing, noise classification, and BLE beacon.
- Requires compatible Gateway and internet connectivity for commissioning.
- For more information, visit: www.interact-lighting.com/office or www.usa.lighting.philips.com/systems/system-areas/offices.

Emergency Options (ER100)

(System Bridge Accessory with -ER100 option):

- Power Sensing (Factory default) – Recommended UL924 option requires unswitched power sense line, absence of voltage on the normal circuit triggers luminaire to 100% output
- Power Interruption Detection (Field option) – Detects AC power interruption >30ms triggers 90 minute emergency mode with luminaire at 100% output

Radio only sensor (RADIO):

- Integral RADIO only sensor simply enables wireless mesh connectivity to the luminaire without any occupancy or daylight sensing.
- Ideal for applications where sensing functionality is managed by other Interact devices and the luminaire only needs to have wireless connectivity.

Wired Controls Options

Interact Office Wired (PoE):

- PoE based IoT connected lighting solution for large enterprises that span across multiple floors, buildings and require multiple gateways.
- Use Interact Office software and insights to increase building efficiency, achieve building wide integration and optimize space through occupancy analytics.
- Supports advanced IoT Apps on Personal Control, Space Management, wayfinding, room/desk reservation and offers open APIs for light control and data exchange.
- PoE lighting controller is accessible from below.
- Integral sensor option for occupancy sensing (PIR) and/or daylight harvesting available for additional energy savings.

- Optional integral emergency controller and battery pack provides 600lm nominal output.
- Test switch and indicator light mounted on side of chassis on one end.
- Emergency battery has a 3 month pre-installed shelf life, and must be stored and installed in environments of 20C to 30C (-4F to 86F) ambient, and 45-85% relative humidity.
- For more information on Interact Office Wired, visit: www.interact-lighting.com/office or www.usa.lighting.philips.com/systems/system-areas/offices.

Interact Office Wired (PoE), Static White:

- A wireless IoT connected lighting solution for large enterprises that span across multiple floors, buildings and require multiple gateways.

- View all your projects under one dashboard and easily compare insights from multiple projects in one view.
- Compatible Zigbee Green Power wall dimmer and wireless Occupancy or Daylight & Occupancy sensors available.
- Use Interact Office software and insights to increase building efficiency, achieve building wide integration and optimize space through occupancy analytics.
- Supports advanced IoT Apps on wayfinding, room/desk reservation and offers open APIs
- Requires compatible Interact Office Gateway and internet connectivity for commissioning.
- For more information on Interact Office Wireless, visit: www.interact-lighting.com/office or www.usa.lighting.philips.com/systems/system-areas/offices.

Tay Morgan
David Dunbar

Members Absent:

Lynette Praytor

Also attending:

Jordan Lohman, City Planner

The meeting was called to order by Chairman Dicken. Chairman Dicken led the invocation. It was determined by the members present that there was a quorum.

The first item on the agenda was **WORD OF LIFE CHURCH**. The project was presented by **Mr. Robert Farr**. The project is located at **670 Highland Colony Parkway**. The applicant is requesting approval of site plan and architecture for renovations to their existing building.

Chairman Dicken opened the floor for a motion. Robert Moore made a motion to approve the architectural review of the project as a “major” agenda item. Randy Lynn seconded the motion and a vote was taken thereon as follows:

Robert Moore	Aye
Lynette Praytor	Absent
Randy Lynn	Aye
Connie Suber	Aye
David Dunbar	Aye
Tay Morgan	Aye
Leigh Sullivan	Aye

Chairman Dicken then declared the motion to approve the architectural review of the project carried.

The second item on the agenda was **WATKINS CONSTRUCTION OFFICE BUILDING**. The project was presented by **Mr. Alex Reeves**. The project is located at **218 North Wheatley Street**. The applicant is requesting approval of site plan and architecture for a new office building.

Chairman Dicken opened the floor for a motion. David Dunbar made a motion to approve the architectural review of the project as a “major” agenda item. Leigh Sullivan seconded the motion and a vote was taken thereon as follows:

Robert Moore	Aye
Lynette Praytor	Absent
Randy Lynn	Aye
Connie Suber	Aye
David Dunbar	Aye
Tay Morgan	Aye
Leigh Sullivan	Aye

Chairman Dicken then declared the motion to approve the architectural review of the project carried.

The third item on the agenda was **CHIPOTLE**. The project was presented by **Ms. Shawna Fuhrman**. The project is located at **836 County Line Road**. The applicant is requesting approval of site plan and architecture for a new restaurant.

Chairman Dicken opened the floor for a motion. Tay Morgan made a motion to approve the architectural review of the project as a “major” agenda item. Connie Suber seconded the motion and a vote was taken thereon as follows:

Robert Moore	Aye
Lynette Praytor	Absent
Randy Lynn	Aye
Connie Suber	Aye
David Dunbar	Aye
Tay Morgan	Aye
Leigh Sullivan	Aye

Chairman Dicken then declared the motion to approve the architectural review of the project carried.

The minutes from the March 22, 2022 meeting were then read and approved by the board. There being no further business to come before the board, the meeting was adjourned.

Re: Chipotle Shell Building (Ridgeland)
838 E. County Line Road

Included with resubmittal:

- Revised drawings
- Exterior light fixture cut sheets
- Completed ARB Checklist

Please consider the following responses to the comments received March 16, 2022:

PUBLIC WORKS

1. **Comment:** Show utility connections to building (water, sewer, etc.)
Response: Connections added to C2.1.

COMMUNITY DEVELOPMENT

2. **Comment:** Show electric panels on building (color to match building).
Response: Electrical equipment added to Elevations, see A301-P.
3. **Comment:** Show photometric calculation to the property line and include wall lights and all other exterior lights in the calculations. Provide cut sheets for all exterior lights, full cut-off fixtures required.
Response: Site lighting plan and photometric added to set, see ES116.
4. **Comment:** Show transformer and plans and provide landscape screening.
Response: There is no existing transformer on site, power is underground from motel to north.
5. **Comment:** Show rooftop units dashed on elevations and completely screened from view from all sides of the building.
Response: Equipment shown dashed on elevations, see A301-P.
6. **Comment:** Specify the mortar color for the brick and provide a completed ARB checklist.
Response: Mortar color added to Legend on A301-P and ARB checklist included.
7. **Comment:** Show trade dress calculations for all building elevations. 5% side and rear, 10% street frontage (County Line Rd.) North elevation is over the 5% threshold
Response: Trade dress calculations added to A301-P.
8. **Comment:** Provide spec for railing seating area if any is to be installed.
Response: No railing will be added to the seating area.
9. **Comment:** Specify the type and location of any proposed signage (ground sign, parking signage, etc.)
Response: Ground signage and monument sign location added to C2.1
10. **Comment:** Show required number of tree calculations on landscape plan: 1 per 50lf of road frontage & 1 per 10 parking space.
Response: Calculations added to LS1.1.
11. **Comment:** All required trees shall be a canopy species. Crape Myrtles do not qualify unless located under overhead power lines.
Response: Tree species revised, see LS1.1.

12. **Comment:** Add evergreen landscaping along all parking that faces the road and screen any mechanical equipment.
Response: Evergreen shrubs added along County Road. All mechanical equipment will be located on roof.
13. **Comment:** Specify the color of the striping – no yellow.
Response: All striping shall be white or blue for ADA, notes added to C2.1

Sincerely,

Shawna Fuhrman

Technical Specifications

Compliance

UL Listed:

Suitable for wet locations

IESNA LM-79 & LM-80 Testing:

RAB LED luminaires and LED components have been tested by an independent laboratory in accordance with IESNA LM-79 and LM-80.

Dark Sky Conformance:

Conforms to (allows for conformance to) the requirements for the IDA's "Fixture Seal of Approval" as of March 1, 2016.

DLC Listed:

This product is on the Design Lights Consortium (DLC) Qualified Products List and is eligible for rebates from DLC Member Utilities. Designed to meet DLC 5.1 requirements.
DLC Product Code: PM2E3FGH

Performance

Lifespan:

100,000-Hour LED lifespan based on IES LM-80 results and TM-21 calculations

Construction

IES Classification:

The Type III distribution is ideal for roadway, general parking, and other area lighting applications where a larger pool of lighting is required. It is intended to be located near the side of the area, allowing the light to project outward and fill the area.

Housing:

Integral-cast aluminum mounting pad and external fins for optimum heat sinking to ensure cool operation with maximum LED life and light output

Gaskets:

High-temperature silicone

Finish:

Formulated for high durability and long-lasting color

Green Technology:

Mercury and UV free. RoHS-compliant components.

Effective Projected Area:

EPA = 0.2

Cold Weather Starting:

The minimum starting temperature is -40°C (-40°F)

Maximum Ambient Temperature:

Suitable for use in up to 40°C (104°F)

Maximum EPA:

Fixed Arm = 0.10.

Technical Specifications (continued)

LED Characteristics

Lumen Maintenance:

The LED will deliver 70% of its initial lumens at 100,000 hours of operation

Color Consistency:

3-step MacAdam Ellipse binning to achieve consistent fixture-to-fixture color

Color Stability:

LED color temperature is warrantied to shift no more than 200K in color temperature over a 5-year period

Color Uniformity:

RAB's range of Correlated Color Temperature follows the guidelines of the American National Standard for Specifications for the Chromaticity of Solid State Lighting (SSL) Products, ANSI C78.377-2017.

Electrical

Driver:

Constant Current, Class 2, 120-277V, 50/60Hz, 120V: 0.09A, 208V: 0.05A, 240V: 0.05A, 277V 0.04A

Dimming Driver:

Driver includes dimming control wiring for 0-10V dimming systems. Requires separate 0-10V DC dimming circuit. Dims down to 10%.

THD:

6.51% at 120V, 13.57% at 277V

Power Factor:

99% at 120V, 90.6% at 277V

Other

Patents:

The design of the ALED is protected by patents pending in Canada, U.S., China and Taiwan.

HID Replacement Range:

Replaces 35 - 50W Metal Halide

Equivalency:

Equivalent to 70W Pulse Start Metal Halide

Warranty:

RAB warrants that our LED products will be free from defects in materials and workmanship for a period of five (5) years from the date of delivery to the end user, including coverage of light output, color stability, driver performance and fixture finish. RAB's warranty is subject to all terms and conditions found at rablighting.com/warranty.

Buy American Act Compliance:

RAB values USA manufacturing! Upon request, RAB may be able to manufacture this product to be compliant with the Buy American Act (BAA). Please contact customer service to request a quote for the product to be made BAA compliant.

Backlight Control

For those LED projects that require minimal light behind the pole, Spaulding Lighting has a solution – Backlight Control. This unique system, designed specifically for LED lighting, will virtually eliminate the light spill behind the pole and is available on Cimarron LED CL1 and CL1S models. (See CL1 and CL1S page(s) for ordering information)

- Reduce light 85% behind the pole – industry leading performance
- No change to fixture appearance or EPA
- Achieves impressive Backlight-Uplight-Glare (BUG) rating
- Neighbor-friendly lighting
- 2013 IES Progress Report Award winner

Automotive Dealership Optics

For Automotive Dealership applications Spaulding Lighting has developed two optics designed for enhanced and proper lighting of the auto dealership merchandise the front row 1A and interior rows 2A (See CL1 distribution information for details)

Optic 1A

- Maximum illumination on front row display
- Maximum pole spacing

Optic 2A

- Excellent front row illumination and drive lane
- Optimal uniformity for drive lane and interior rows

BEFORE THE MAYOR AND BOARD OF ALDERMEN OF
THE CITY OF RIDGELAND, MADISON COUNTY, MISSISSIPPI

**PETITION AND APPLICATION FOR
CONDITIONAL USE PERMIT**

(Official Form February 2014)

COMES NOW, Aileron Ridgeland LLC, (the "Petitioner") and
[Name of Petitioner(s)]

respectfully petitions the Mayor and Board of Aldermen of the City of Ridgeland, Mississippi, to grant a conditional use permit as set forth in Section 600.09 of the City of Ridgeland Zoning Ordinance of February, 2014, as more specifically described in this Petition for that real property described in this Petition, and in support of this Petition would show as follows:

1. The name of the Petitioner is Aileron Ridgeland LLC
(hereinafter referred to as "Petitioner").
2. The Petitioner's mailing address is 3401 W. Cypress St. Tampa Florida 33607

_____ and the Petitioner's attorney or

representative's mailing address is 3401 W. Cypress St. Tampa Florida 33607 .
3. The Petitioner's phone number is 813-781-1712 and the Petitioner's

attorney's phone number is (if applicable) na .
4. The record title holder of the property is John M. O'Neill ,
and a copy of the property deed with legal description is attached hereto as Exhibit "A".
Additionally, digital text version of the legal description shall be provided to the Zoning
Administrator for use in advertising the public hearing.

5. If the Petitioner is not the owner of the property, the owner's address and phone number is 30530 Middle Creek Circle Spanish Fort, AL 36527

6. A copy of the written authority of the owner's representative to act on behalf of the Owner is attached hereto as Exhibit "B", if applicable.

7. The street address of the property is: 836 E. County Line Rd. MS 39157
Ridgeland, Mississippi 39157

(and/or) Tax Parcel ID Number(s): _____

8. A copy of a plat or map of the property certified by a licensed land surveyor is attached as Exhibit "C".

9. A vicinity map or plat depicting an area of at least 300' surrounding the subject property in all directions is attached to this Petition as Exhibit "D". The vicinity map includes the current zoning classification of all lands within 160' of the subject property.

10. The property is presently zoned C-2A, according to the official zoning map of Ridgeland, Mississippi.

11. Petitioner requests that it be granted a conditional use permit as authorized by

Section 420.03 of the Zoning Ordinance of the City of Ridgeland, Mississippi, dated February, 2014. **(Section of ordinance authorizing the specified conditional use).**

12. Petitioner intends to use the subject property for the following purpose(s) in accord with requested classification: Fast Casual Restaurant with a drive-thru

13. A site plan for development of the property as required by Section 600.09 of the Zoning Ordinance is attached as Exhibit "E".

14. Petitioner acknowledges that in order to assure consideration of the request contained in this Petition, Petitioner must present proof as to all matters required to be proved by Section 600.09 of the Zoning Ordinance. Petitioner must answer the following questions before filing this petition. The petition will not be accepted unless petitioner responds to each of the following questions:

- a. Why does the Petitioner claim that the requested land use fits the site and is compatible with adjacent properties?

The proposed Chipotle restaurant matches the use of the adjacent fast casual dining options in the block including Starbucks and Wendy's. The site was previously home to another restaurant also.

- b. How will the proposed use impact traffic on adjacent streets and highways?

Traffic will enter and exit the site utilizing the existing curb cuts onto County Line Rd.

Vehicles can also enter the site through the Rodeway in parking lot from Ridgewood Rd.

The new development will hopefully increase traffic volume into the site but will not change traffic patterns or measurably increase the overall traffic on County Line Rd.

- c. Will the requested land use cause an adverse effect (noise, glare, odor, traffic, use, encroachment, etc.) on abutting property or the permitted use thereof? Please explain.

No. The proposed restaurant will not cause any adverse effects on the neighboring properties.

- d. What provision(s) have been made for ingress and egress to the subject property and structures located thereon with particular reference to automobile and pedestrian safety, traffic flow, and fire protection?

The site has been laid out to allow fire truck and delivery truck access around all sides of the building. The site is designed to allow traffic flow around the restaurant while drive-thru traffic is present. Crosswalks will be painted in primary crossing lanes to protect pedestrians and warn drivers of their presence.

- e. What provision(s) have been made to provide adequate off-street parking and loading areas in conformance with Section 37.02 Off-Street Parking of this Ordinance?

The proposed site provides 34 vehicle parking spaces with exceeds the requirements of 1 per 75 SF of patron space plus 1 for every peak shift employee.

- f. What provision(s) have been made for refuse storage areas and service areas to be screened from adjoining properties, and are the proposed improvements in conformance with Section 36.07 and Appendix 'D'?

The site will have a dumpster enclosure in the same location as the existing

dumpster enclosure and will be abutting the enclosure for the adjacent motel.

The enclosure will have a 7.5' high fence with the appropriate facade to match the

NOD requirements.

- g. What provision(s) have been made for controlling drainage and erosion on/from the proposed site?

The contractor on the site will be required to implement Best Management practices

during construction that meet or exceed the MDEQ Small Construction requirements.

The proposed development will not increase the impervious area of the site and

the existing stormwater infrastructure will be utilized to carry all flow off-site.

- h. What provision(s) have been made for the availability and connection of utilities?

The new restaurant will connect to the existing utilities on the site.

- i. What provisions(s) have been made for signage and lighting at the proposed site?

A sign will be designed to meet the Sign Ordinance requirements.

- j. Does the proposed land use comply with required yards, Landscape Ordinance, and Tree Ordinance? If not, please explain.

Yes.

- k. What provision(s) have been made with respect to hours of operation so as not to cause an adverse effect on neighboring properties?

The proposed restaurant will have similar or reduced hours of operation as the adjacent motel, Starbucks, and gas station.

1. What provision(s) have been made to adequately address any concern for safety?

The proposed restaurant does not introduce any additional safety concerns to the area.

- m. What provision(s) have been made to address any negative impact on the capacity of public facilities?

The proposed restaurant does not negatively impact public services.

- n. What provision(s) have been made to minimize negative environmental and economic impacts?

The proposed restaurant does not cause negative environmental or economic
impacts.

- o. Does the proposed land use encroach upon flood hazard zones or airport approach zones?

No.

- p. Are there any additional issues that should be addressed in this application?

Note that Chipotle uses the drive-thru lanes as a pick-up option only. You cannot order at the drive-thru and wait for your food. Orders are made through their mobile app and customers are instructed to wait in the parking area until their order is ready. Consequently, the number of cars in the drive-thru lane is minimal.

15. Petitioner acknowledges that prior to approving any petition, a public hearing must be held in accordance with Section 600.15 of the Zoning Ordinance. At the public hearing the petitioner will be required to provide proof in the form of testimony and documents as to each of the matters listed in paragraph 14 of this petition.
16. Petitioner believes that the reasons set forth in this petition justify the granting of the conditional use permit.
17. Petitioner would show that the planned use of the property and the conditional use permit would be in harmony with the general purpose and intent of the land uses permitted in the use district where the property is located, and would not be injurious to the neighborhood or detrimental to the public welfare.
18. The required \$150.00 filing fee has been paid with the filing of this Petition.

Respectfully submitted,

PETITIONER

APPROVING AND GRANTING A CONDITIONAL USE PERMIT FOR
PROPERTY LOCATED AT 836 E. COUNTY LINE ROAD
(PARCEL NO. 071G-36D-014/01.04) CITY OF RIDGELAND,
MADISON COUNTY, MISSISSIPPI**

WHEREAS, Aileron Ridgeland, LLC (the "Petitioner"), did file a Petition and Application for a Conditional Use Permit as permitted by Section 600.09 for the property described herein, which property is located in a C-2A General Commercial District (Arterial Streets) Classification under the City of Ridgeland Zoning Regulations Ordinance of February 2014, (the "Petition"); and,

WHEREAS, the Mayor and Board of Aldermen referred the Petition to the Zoning Board of the City of Ridgeland (the "Zoning "Board") which Board scheduled a hearing on said Petition for March 17, 2022, at 6:00 o'clock p.m.; and,

WHEREAS, the City Clerk did cause notice of the March 17, 2022, hearing to be published in the Madison County Journal, a newspaper published in the City of Ridgeland, Madison County, Mississippi, in the manner and for the time required by law, and the Zoning Administrator did post notice of same upon the affected property in the manner and for the time required by law; and,

WHEREAS, the Zoning Board of the City of Ridgeland, Mississippi, did conduct a full and complete hearing on the Petition at the March 17, 2022, meeting, and received comments and heard evidence presented by the Petitioner and thereafter forwarded its recommendation thereon to the Mayor and Board of Aldermen; and,

WHEREAS, the Mayor and Board of Aldermen are familiar with the property and existing land uses within the City of Ridgeland and in the area of the City where the property is

located, and in acting on this Ordinance, have duly considered the matters and facts within their personal knowledge as same affect the land uses requested in the Petition; and,

WHEREAS, the Mayor asked whether the Board of Aldermen desired to take any action regarding the Petition and the recommendation of the Zoning Board, and after discussion thereof, Alderman _____ offered the following Ordinance and moved that it be adopted, to-wit:

NOW, THEREFORE, be it ordained by the Mayor and Board of Aldermen of the City of Ridgeland, Madison County, Mississippi, as follows, to-wit:

SECTION 1. That the matters and facts stated in the preamble hereof are found, determined, and adjudicated to be true and correct.

SECTION 2. That the findings of fact contained in the Zoning Board's March 17, 2022, Minutes in regard to the Petition be, and same are hereby adopted as and for the findings of fact of the Mayor and Board of Aldermen in support of the zoning decision contained herein.

SECTION 3. That it is hereby found and determined that the conditions precedent to the granting of a Conditional Use Permit in regard to the herein described property as required in Section 600.09 of the City of Ridgeland Zoning Regulations Ordinance of February 2014, exist, and have been satisfied, and the granting of a Conditional Use Permit for the purpose of allowing a fast casual dining restaurant with a drive-thru pick-up window on the subject property within the C-2A General Commercial District (Arterial Streets) in the City of Ridgeland with the condition of this approval, said drive-thru pick-up window will be used solely for pick-up of orders.

SECTION 4. That the Mayor and Board of Aldermen of the City of Ridgeland, Mississippi, do hereby grant from and after the effective date of this Ordinance a Conditional

Use Permit for the purpose allowing a fast casual dining restaurant with a drive-thru pick-up window on the subject property within the C-2A General Commercial District (Arterial Streets) in the City of Ridgeland with the condition of this approval, said drive-thru pick-up window will be used solely for pick-up of orders.

SECTION 5. The property affected by this Ordinance (the "property") is located in the City of Ridgeland, Madison County, Mississippi, and described as follows:

LEGAL NOTICE
REQUEST FOR QUALIFICATIONS

The City of Ridgeland, Mississippi intends to employ consulting engineering firms (CONSULTANTS) for providing professional engineering services for developing various necessary water, wastewater, and stormwater infrastructure improvement projects utilizing Coronavirus State Fiscal Recovery Funds made available under the Federal American Rescue Plan Act of 2021 (ARPA). This Legal Notice is being issued to provide interested CONSULTANTS with the information necessary for preparing a Request for Qualifications (RFQ) Response. **All replies must be received by 10:30 A.M., Wednesday, May 10, 2022, in the Office of Public Works of the City of Ridgeland at City Hall 100 West School Street, Ridgeland, Mississippi 39157.**

Interested CONSULTANTS may obtain a complete guide to this Request for Qualifications in the Office of Public Works of the City of Ridgeland at City Hall 100 West School Street, Ridgeland, Mississippi 39157. Questions should be directed in writing to the *City of Ridgeland Public Works Director* by emailing the following address, Alan.Hart@ridgelandms.org. To be considered, the Request for Qualifications (RFQ) Response must respond to all requirements listed within the RFQ guidelines, and be submitted in a sealed envelope marked on the outside as:

“Request for Qualifications Response”
Professional Engineering Services
ARPA Water, Wastewater, and Stormwater Projects
City of Ridgeland, Madison County, Mississippi

The professional engineering services requested shall include: *project management services, coordination and attendance of project related conferences and meetings, liaison services between the City, State and Federal funding agencies, field surveying and inspections, geotechnical investigations, environmental studies, water, wastewater, and/or stormwater engineering design, right-of-way document preparation and acquisition services, utility relocation, construction bid document development, and bid phase administration.* ARPA funded projects will be handled in accordance with all State and Federal regulations.

Due to the ARPA program’s expedient schedule requirements, the City anticipates assigning multiple Task Orders to multiple Engineering Firms to concurrently develop the City’s ARPA projects well in advance of the funding program’s deadlines. Up to five (5) of the most highly qualified CONSULTANTS will be selected based on the evaluation criteria contained in this Notice. Upon a qualification-based selection, the City will commence contract negotiation to establish a fair compensation rate in a General Services Agreement for providing engineering and surveying related services. Once General Service Agreements are executed with the CONSULTANTS selected, the City will issue engineering service task orders to the CONSULTANTS, based on the CONSULTANT’s availability and feasibility. Each task order will have a specific fee schedule developed by the CONSULTANT assigned to accomplish a requested scope of work. In the event an agreement cannot be reached for the cost and/or schedule of a task order, negotiation will continue with another qualified CONSULTANT operating with an approved General Services Agreement. The availability and speed in which the CONSULTANT can complete each assigned Task Order will weigh heavily on the assignment of multiple Task Orders to the CONSULTANTS that successfully negotiate General Service Agreements with the City. The City reserves the right to issue engineering service task orders to qualified CONSULTANTS in any order selected which is most beneficial to the Owner and within funds available. The execution of a General Services Agreement is no assurance that a task order will be assigned to the CONSULTANT.

The City anticipates the duration of the projects will extend through December 31, 2026 unless the Federal Government changes the deadline or program requirements. The City desires having all ARPA-funded projects “Plan Ready” within six (6) to twelve (12) months from the execution date of the General Services Agreements. The General Service Agreements will utilize a cost plus fixed fee, labor hour/unit price, or lump sum basis of payment with a defined maximum “not-to-exceed” amount. The term of the General Services Agreement will not exceed a three (3) year period unless extended by Supplemental Agreement with prior written consent of both parties. The services provided with each Task Order will begin upon issuance of a “Notice to Proceed” by the City of Ridgeland and end following the completion of the project.

The City will evaluate the RFQ Responses based on the following factors listed in their relative order of importance:

1. Experience in scope of work for water, sewer, and drainage projects (30% of total score)
2. Qualifications of assigned staff and company resources (25% of total score)
3. Past performance of the CONSULTANT (20% of total score)
4. Availability of Personnel (20% of total score)
5. Locations of the CONSULTANT’s home, branch and field offices (5% of total score)

The City reserves the right to select up to five (5) CONSULTANTS. The City reserves the right to reject any and all RFQ Responses and/or discontinue the execution any General Services Agreement or Task Order assignment with any party at any time. The City shall not be liable for any costs incurred by any CONSULTANT prior to the Notice to Proceed effective date for a Task Order Assignment. The City of Ridgeland is an equal opportunity employer. The selected CONSULTANTS will be notified in writing of their selection. The CONSULTANT(s) whose were not selected will be notified in writing of the name of the selected CONSULTANTS.

MEMORANDUM

TO: Mayor Gene F. McGee and Board of Aldermen
FROM: Christopher W. Bryson, P.E., City Engineer
DATE: April 13, 2022
RE: **AUTHORIZATION TO ADVERTISE FOR BIDS**
Ridgewood Road Drainage Improvements
City of Ridgeland, Madison County, Mississippi

We respectfully request the Mayor and Board of Aldermen authorize the Public Works Department to advertise for bids on the above referenced project.

Upon your approval and after acquiring the required drainage easements, the project will be published in the Clarion Ledger once each week for two consecutive weeks. The Bid Opening would be held a minimum of 15-working days after the last notice appears in the newspaper. The Bid Opening results and a recommendation for awarding the construction contract would be presented to you at the following Board meeting. The City of Ridgeland entered into an Interlocal Agreement with Madison County on September 21, 2022 which states Madison County will provide up to \$500,000.00 in reimbursement funding for the drainage improvements made to Ridgewood Road.

This project will improve roadside drainage conditions along Ridgewood Road between East State Street and Wilson Drive. The existing pipe culverts under Greene's Auto and Got-Gear's driveways currently flood during heavy rain events due to a lack of capacity. The proposed improvements will lower the flowline of the ditch and culverts, and increase the capacity of the drainage channel to keep the water surface below Ridgewood Road during 25-year storm events. The project will replace the existing, deteriorated metal culverts under Greene's Auto and Got-Gear's driveways with double 10'x5' concrete box culverts to provide greater drainage capacity. The Ridgewood Road ditch entering and exiting the proposed box culvert will be lowered, widened and re-stabilized with rip-rap.

Thank you for your consideration of our request. Please contact me if you have any questions.

RE: **CONTRACTOR PAYMENT REQUEST NO. 9**
FINAL CONTRACT CHANGE ORDER NO. 2
FINAL CONTRACTOR PAYMENT REQUEST NO. 10
FINAL PROJECT CLOSE-OUT SUBMITTALS
Hemphill Construction Company, Inc.
Rice Road Extension
Account No. 390-601-750
City of Ridgeland, Madison County, Mississippi

We respectfully request the Mayor and Board of Aldermen approve the referenced project close-out documents in accordance with the attached requests made by the Engineer. We further request the Mayor and Board of Aldermen authorize release of retainage in the form of *Certificate of Deposit No. 1303609* with *Priority One Bank* in the amount of \$52,500.00. The Contractor satisfied the requirements of the Contract Specifications as of January 7, 2022, and is therefore eligible to receive final payment.

The proposed Final Contract Change Order No. 2 decreases the Contract Amount by \$39,119.91 as a result of adjustments made to the Contract quantities to reflect the actual amount of quantities used during construction. The proposed Final Contract Change Order No. 2 also increases the contract time by 23-calendar days as a result of the Engineer's stating sufficient justification for previous construction delays.

Upon your approval, the Mayor will need to sign where indicated on the cover sheet of each pay estimate and change order form, and return to Public Works for distribution. The original power of attorney and certificate of deposit will then be returned to the Contractor's bank.

Thank you for your consideration of our request. Please contact me if you have any questions.

RE: CONTRACTOR PROJECT CLOSE-OUT
Rice Road Extension
City of Ridgeland, Mississippi

Mr. Bryson:

Pursuant to Section 7, Contract Close-out, of Section J, Project Supplemental General Conditions, of the Contract Documents dated March 15, 2021, enclosed are the following project close-out submittals for the referenced project:

- Change Order No. 2 & Final
- Pay Request No. 10 & Final
- Lien Waiver
- Surety Release
- Labor and Material Warranty
- Material Certification Statement of specification compliance

The Contractor appears to have satisfied the requirements of the Contract Specifications on January 7, 2022 and has provided justification for the delays. Consequently, we recommend final payment to the Contractor in the amount of the enclosed Pay Request No. 10 and Final. The original power of attorney and certificate of deposit placed in lieu of retainage can be returned to the Contractor.

Should you have any questions or comments, or require additional information, please contact me. As always, thank you for this opportunity to be of service.

CERTIFICATION

Resolutions adopted by the Boards of Directors of **FEDERAL INSURANCE COMPANY**, **VIGILANT INSURANCE COMPANY**, and **PACIFIC INDEMNITY COMPANY** on August 30, 2016:

*RESOLVED, that the following authorizations relate to the execution, for and on behalf of the Company, of bonds, undertakings, recognizances, contracts and other written commitments of the Company entered into in the ordinary course of business (each a "Written Commitment"):

- (1) Each of the Chairman, the President and the Vice Presidents of the Company is hereby authorized to execute any Written Commitment for and on behalf of the Company, under the seal of the Company or otherwise.
- (2) Each duly appointed attorney-in-fact of the Company is hereby authorized to execute any Written Commitment for and on behalf of the Company, under the seal of the Company or otherwise, to the extent that such action is authorized by the grant of powers provided for in such person's written appointment as such attorney-in-fact.
- (3) Each of the Chairman, the President and the Vice Presidents of the Company is hereby authorized, for and on behalf of the Company, to appoint in writing any person the attorney-in-fact of the Company with full power and authority to execute, for and on behalf of the Company, under the seal of the Company or otherwise, such Written Commitments of the Company as may be specified in such written appointment, which specification may be by general type or class of Written Commitments or by specification of one or more particular Written Commitments.
- (4) Each of the Chairman, the President and the Vice Presidents of the Company is hereby authorized, for and on behalf of the Company, to delegate in writing to any other officer of the Company the authority to execute, for and on behalf of the Company, under the Company's seal or otherwise, such Written Commitments of the Company as are specified in such written delegation, which specification may be by general type or class of Written Commitments or by specification of one or more particular Written Commitments.
- (5) The signature of any officer or other person executing any Written Commitment or appointment or delegation pursuant to this Resolution, and the seal of the Company, may be affixed by facsimile on such Written Commitment or written appointment or delegation.

FURTHER RESOLVED, that the foregoing Resolution shall not be deemed to be an exclusive statement of the powers and authority of officers, employees and other persons to act for and on behalf of the Company, and such Resolution shall not limit or otherwise affect the exercise of any such power or authority otherwise validly granted or vested."

I, Dawn M. Chloros, Assistant Secretary of **FEDERAL INSURANCE COMPANY**, **VIGILANT INSURANCE COMPANY**, and **PACIFIC INDEMNITY COMPANY** (the "Companies") do hereby certify that

- (i) the foregoing Resolutions adopted by the Board of Directors of the Companies are true, correct and in full force and effect,
- (ii) the foregoing Power of Attorney is true, correct and in full force and effect.

Dear Sir:

Hemphill is submitting our final pay application. We ask that as you process our final estimate, that you also process any paper work necessary to release our Certificate of Deposit that you are holding as retainage. Please, have the Owner enclose the certificate with our payment for the final estimate when you mail it to us. Your immediate help in closing this project out is greatly appreciated. **Please, return the original power of attorney and certificate of deposit. We will return it to the bank. You will not need to take any other action. Thank you.**

Sincerely,

TO: Mayor & Board of Aldermen

FROM: John R. Neal, Chief of Police 

SUBJECT: Special Event – Catholic Charities “Run Foster Run”

I have attached a request for a Special Event Permit from Michael Crandall with the Catholic Charities. “Run Foster Run”, is a 10K run starting at St. Francis Catholic Church in Madison, MS and proceeding on Tidewater Lane towards Old Canton Road and then to the multipurpose trail. The event is scheduled for Saturday, April 30, 2022 from 8:00 a.m. to 10:00 a.m..

Mr. Crandall is expecting approximately 100 participants. Arrangements have been made for site clean-up by volunteers and restroom facilities are on site at St. Francis.

The route will utilize the Multi-Purpose Trail north of Old Canton Road and will not require any overtime. On duty personnel will conduct periodic checks.

Attached documents include the Special Event Permit Application and race course map. Checks in the amounts of \$100.00 and \$1,000.00 representing the filing fee and bond fee were received with the application.

Your consideration and approval will be greatly appreciated.

CC: Lt. Brian Myers

Application Instructions

- 1). You must present to the Chief of Police or his designee your plan for parking and traffic control. You must state in this plan whether or not police or private security personnel will be needed to direct and handle traffic and parking.
- 2). City of Ridgeland Special Events Ordinance section 10-33(2) requires adequate security be provided at special events. This requirement is one security officer for every 400 people in attendance. A private security company may be used but preference shall be given to the hiring of off duty personnel. The assistance from Ridgeland Police Department for road course races/walks to secure intersections shall not be considered as part of the security requirement. The personnel assigned for traffic control are in addition to any requirement for on-site security personnel required in the ordinance.
- 3). If the event is to have outdoor music, a Permit to Play on Premises Music will be required from the applicant agreeing to comply with the noise ordinance of the City of Ridgeland, MS.
- 4). If there is a need for Police Dept., Fire Dept., Public Works Dept. and/or Rec/Parks Dept. personnel to work in controlling the special event, the applicant will agree to pay this cost from the filing of a bond fee.
- 5). The applicant may be required to post a bond fee in the minimum amount of one thousand dollars (\$1,000.00) with the City Clerk. This is to ensure that the event area is immediately cleaned up after its conclusion, and any City employee who works overtime as a result of the special event, will be compensated from the bond proceeds.
- 6). Submit the above application and information to the Office of the Chief of Police with a non-refundable filing fee of one hundred dollars (\$100.00) along with the above referenced bond fee. This application will be forwarded to the Patrol Division Commander or a designee who will review the application for all required documentation. This application and documentation will be presented to the Ridgeland Board of Aldermen for subsequent approval. **Please allow a minimum of 30 days to complete the process and receive approval.**

- 7). Event organizers should submit a map outlining the area where an event is to be held. Points of interest (entrance/exit points, first aid stations, etc...) shall be included on this map. If the event is a road race/walk, a map reflecting the proposed course route along with a description of the route shall be included. If any portion of the route will include sections of the Natchez Trace Parkway, you must first obtain approval from the Natchez Trace Chief (phone no. 662-680-4014; Ridgeland office 601-856-7321) and documentation reflecting this approval must be submitted with this application.
- 8). If the event is to be held at Old Trace Park and/or Madison Landing, you must first seek approval from PRVWSD Parks and Recreation (601-856-6319) and obtain a Facility Use Application which must be submitted with this application.
- 9). The number of event personnel will represent the number of people from the organization who will be assisting with the overall operation of the event. This will include any volunteers from the organization.
- 10). The arrangements for restroom facilities as addressed in the Ridgeland Code of Ordinances indicate 1 restroom per 150 people in attendance. These may be portable restrooms or existing restroom structures.
- 11). The event organizer or organization will be responsible for clean-up at the conclusion of the event. The City of Ridgeland encourages organizations to participate in a recycle program for any waste or debris to be discarded.
- 12). The first aid station located on the event site shall be manned by a state certified EMT.
- 13). The number of police/security personnel shall be determined by the expected crowd size. The event organizer may staff the event to satisfy this requirement through off-duty law enforcement personnel. The Ridgeland Police Department will assist the organizers if they choose the police department assigned option, or the event organizers may choose the self-hire option to select their own personnel to comply with the ordinance.
- 14). In accordance with City of Ridgeland Mobile Food Vending Ordinance (Chapter 22, Article V), any special event organizer who utilizes the services of a mobile food truck or pushcart must comply with the requirements under this above referenced section. If you utilize the services of a mobile food vendor, the applicant named on this permit will ensure the requirements under section 22-203 (b) are met and obtain a Special Event Mobile Food Vending Permit from the City of Ridgeland Department of Finance and Administration.

SUBJECT: Special Event – Southern AgCredit (Jingle Bell Jog)

I have attached a request for a Special Event Permit from Lylla Joe with Southern AgCredit. This event is the Jingle Bell Jog to include ½ marathon, 10K and 5K scheduled Saturday, December 10, 2022 from 6:00 a.m. to 1:00 p.m. The marathon will begin at Madison Central High School where participants will run south on Highland Colony Parkway into the City of Ridgeland. Course route is attached for your review.

Ms. Joe is expecting approximately a 1000 participants for the race and portable restrooms will be available on site. A first aid/medical station will also be located on site with the assistance of Pafford Medical Services. Southern AgCredit staff and volunteers will be responsible for setting up and cleaning up upon conclusion of this event.

Participants will pick up their packets on Friday, December 9, 2022 at the Southern AgCredit office located at 402 West Parkway Place from 12:00 p.m. to 7:00 p.m. Southern AgCredit will be open to participants this date for use of its facilities.

This event will generate overtime for the police department as there are fifteen (15) posts (including command/rover) that need to be manned for approximately 3 hours each for participant safety. Please note that in the past several of the officers only worked 2.5 hours or less so the overtime amount may come to less than \$1,000.00. The use of reserve officers will be made if they are available.

A check in the amounts of \$1,100.00 representing the requisite filing fee and bond money were received along with the Special Event Permit Application. A copy of the route and turn by turn instructions are also attached.

Your consideration and approval will be greatly appreciated.

Application Instructions

- 1). You must present to the Chief of Police or his designee your plan for parking and traffic control. You must state in this plan whether or not police or private security personnel will be needed to direct and handle traffic and parking.
- 2). City of Ridgeland Special Events Ordinance section 10-33(2) requires adequate security be provided at special events. This requirement is one security officer for every 400 people in attendance. A private security company may be used but preference shall be given to the hiring of off duty personnel. The assistance from Ridgeland Police Department for road course races/walks to secure intersections shall not be considered as part of the security requirement. The personnel assigned for traffic control are in addition to any requirement for on site security personnel required in the ordinance.
- 3). If the event is to have outdoor music, a Permit to Play on Premises Music will be required from the applicant agreeing to comply with the noise ordinance of the City of Ridgeland, MS.
- 4). If there is a need for Police Dept., Fire Dept., Public Works Dept. and/or Rec/Parks Dept. personnel to work in controlling the special event, the applicant will agree to pay this cost from the filing of a bond fee.
- 5). The applicant may be required to post a bond fee in the minimum amount of one thousand dollars (\$1,000.00) with the City Clerk. This is to ensure that the event area is immediately cleaned up after its conclusion, and any City employee who works overtime as a result of the special event, will be compensated from the bond proceeds.
- 6). Submit the above application and information to the Office of the Chief of Police with a non-refundable filing fee of one hundred dollars (\$100.00) along with the above referenced bond fee. This application will be forwarded to the Patrol Division Commander or a designee who will review the application for all required documentation. This application and documentation will be presented to the Ridgeland Board of Aldermen for subsequent approval. **Please allow a minimum of 30 days to complete the process and receive approval.**
- 7). Event organizers should submit a map outlining the area where an event is to be held. Points of interest (entrance/exit points, first aid stations, etc...) shall be included on this map. If the event is a road race/walk, a map reflecting the proposed course route along with a description of the route shall be included. If any portion of the route will include sections of the Natchez Trace Parkway, you must first obtain approval from the Natchez Trace Chief (phone no. 662-680-4014; Ridgeland office 601-856-7321) and documentation reflecting this approval must be submitted with this application.
- 8). If the event is to be held at Old Trace Park and/or Madison Landing, you must first seek approval from PRVWSD Parks and Recreation (601-856-6319) and obtain a Facility Use Application which must be submitted with this application.
- 9). The number of event personnel will represent the number of people from the organization who will be assisting with the overall operation of the event. This will include any volunteers from the organization.
- 10). The arrangements for restroom facilities as addressed in the Ridgeland Code of Ordinances indicate 1 restroom per 150 people in attendance. These may be portable restrooms or existing restroom structures.
- 11). The event organizer or organization will be responsible for clean-up at the conclusion of the event. The City of Ridgeland encourages organizations to participate in a recycle program for any waste or debris to be discarded.
- 12). The first aid station located on the event site shall be manned by a state certified EMT.
- 13). The number of police/security personnel shall be determined by the expected crowd size. The event organizer may staff the event to satisfy this requirement through off-duty law enforcement personnel. The Ridgeland Police Department will assist the organizers if they choose the police department assigned option, or the event organizers may choose the self-hire option to select their own personnel to comply with the ordinance.

FROM: John R. Neal, Chief of Police 

SUBJECT: Special Event Permit – Alzheimer's Association "Walk to End Alzheimer's 2022"

I have attached a Special Events permit request from Teri Roddy with the Alzheimer's Association-Mississippi. This event is a charity walk scheduled for Saturday, October 29, 2022 from 6:00 a.m.- 1:00 p.m. at Old Trace Park.

Ms. Roddy is expecting approximately 500 participants and portable restrooms will be available for use on-site. Event personnel will be responsible for set-up and clean-up after the event.

This event will generate overtime for the Police Department and will require two (2) officers for approximately 2.5 hours. Ms. Roddy does anticipate using a drone at this event and she has provided us a copy of the drone operator's certificate.

A check in the amounts of \$1,100.00 representing the requisite filing fee and bond money were received along with the Special Event Permit Application and Permit to Play on Premises Music. A copy of Pearl River Valley Water Supply District's Facility Use Application is also included.

Your consideration and approval will be greatly appreciated.

CC: Lt. Brian Myers

TO: Mayor & Board of Aldermen

FROM: John R. Neal, Chief of Police 

SUBJECT: Special Event Permit – Word of Life Post Easter Invite Weekend

I have attached a Special Event Permit application from Anna Kate Williams with Word of Life Church. The event is a church function scheduled for Sunday, April 24, 2022 at their campus, 670 Highland Colony Parkway beginning at 9:00 a.m. and ending at 1:00 p.m.

Ms. Williams is expecting a crowd of approximately 500. Arrangements have been made for event set-up and clean-up by volunteers, as well as adequate restroom facilities on site.

Ms. Williams advised the mobile food vendors listed on her application have changed and they will now be using My Big Fat Greek, 2 for 7, Dabs Chicken and Waffles and Hog Heaven. Bryan Johnson has confirmed that My Big Fat Greek does have a permit with the city. Ms. Williams has been instructed to ensure that the other vendors contact Bryan Johnson regarding Mobile Food Vending Permits.

This event will not generate overtime for the police department. The on-duty shift personnel will conduct periodic patrols of the area.

Checks in the amounts of \$100.00 and \$1,000.00 representing the filing fee and bond fee were received with the Special Event Permit Application.

Your consideration and approval will be greatly appreciated.

CC: Lt. Brian Myers

Application Instructions

- 1). You must present to the Chief of Police or his designee your plan for parking and traffic control. You must state in this plan whether or not police or private security personnel will be needed to direct and handle traffic and parking.
- 2). City of Ridgeland Special Events Ordinance section 10-33(2) requires adequate security be provided at special events. This requirement is one security officer for every 400 people in attendance. A private security company may be used but preference shall be given to the hiring of off duty personnel. The assistance from Ridgeland Police Department for road course races/walks to secure intersections shall not be considered as part of the security requirement. The personnel assigned for traffic control are in addition to any requirement for on-site security personnel required in the ordinance.
- 3). If the event is to have outdoor music, a Permit to Play on Premises Music will be required from the applicant agreeing to comply with the noise ordinance of the City of Ridgeland, MS.
- 4). If there is a need for Police Dept., Fire Dept., Public Works Dept. and/or Rec/Parks Dept. personnel to work in controlling the special event, the applicant will agree to pay this cost from the filing of a bond fee.
- 5). The applicant may be required to post a bond fee in the minimum amount of one thousand dollars (\$1,000.00) with the City Clerk. This is to ensure that the event area is immediately cleaned up after its conclusion, and any City employee who works overtime as a result of the special event, will be compensated from the bond proceeds.
- 6). Submit the above application and information to the Office of the Chief of Police with a non-refundable filing fee of one hundred dollars (\$100.00) along with the above referenced bond fee. This application will be forwarded to the Patrol Division Commander or a designee who will review the application for all required documentation. This application and documentation will be presented to the Ridgeland Board of Aldermen for subsequent approval. **Please allow a minimum of 30 days to complete the process and receive approval.**

- 7). Event organizers should submit a map outlining the area where an event is to be held. Points of interest (entrance/exit points, first aid stations, etc...) shall be included on this map. If the event is a road race/walk, a map reflecting the proposed course route along with a description of the route shall be included. If any portion of the route will include sections of the Natchez Trace Parkway, you must first obtain approval from the Natchez Trace Chief (phone no. 662-680-4014; Ridgeland office 601-856-7321) and documentation reflecting this approval must be submitted with this application.
- 8). If the event is to be held at Old Trace Park and/or Madison Landing, you must first seek approval from PRVWSD Parks and Recreation (601-856-6319) and obtain a Facility Use Application which must be submitted with this application.
- 9). The number of event personnel will represent the number of people from the organization who will be assisting with the overall operation of the event. This will include any volunteers from the organization.
- 10). The arrangements for restroom facilities as addressed in the Ridgeland Code of Ordinances indicate 1 restroom per 150 people in attendance. These may be portable restrooms or existing restroom structures.
- 11). The event organizer or organization will be responsible for clean-up at the conclusion of the event. The City of Ridgeland encourages organizations to participate in a recycle program for any waste or debris to be discarded.
- 12). The first aid station located on the event site shall be manned by a state certified EMT.
- 13). The number of police/security personnel shall be determined by the expected crowd size. The event organizer may staff the event to satisfy this requirement through off-duty law enforcement personnel. The Ridgeland Police Department will assist the organizers if they choose the police department assigned option, or the event organizers may choose the self-hire option to select their own personnel to comply with the ordinance.
- 14). In accordance with City of Ridgeland Mobile Food Vending Ordinance (Chapter 22, Article V), any special event organizer who utilizes the services of a mobile food truck or pushcart must comply with the requirements under this above referenced section. If you utilize the services of a mobile food vendor, the applicant named on this permit will ensure the requirements under section 22-203 (b) are met and obtain a Special Event Mobile Food Vending Permit from the City of Ridgeland Department of Finance and Administration.

RE: **GENERAL AGREEMENT FOR RIGHT-OF-WAY PROFESSIONAL SERVICES**
Integrated Right-of-Way, LLC
U.S. Highway 51-Lake Harbour Drive Intersection Improvements
City of Ridgeland, Madison County, Mississippi
STP-6928-00(019) LPA 109161-701000

We respectfully request the Mayor and Board of Aldermen approve the General Services Agreement with Integrated Right-of-Way, LLC for providing professional right-of-way services on the above referenced project. Integrated Right-of-Way, LLC is a listed consultant on the current Mississippi Department of Transportation (MDOT) Right-of-Way Division Master Contract List which demonstrates their qualification to provide the right-of-way services offered within the subject agreement in accordance with the Uniform Act. This agreement provides the City with a list of unit prices for various right-of-way services that may be required. Approval of this general services agreement does not commit the City to a minimum purchase amount. It simply provides a list of unit prices from a pre-determined, qualified consultant for use in developing future purchase orders.

Thank you for your consideration of our request. Please contact me if you have any questions.
