**MEETING OF THE
MAYOR AND BOARD OF ALDERMAN OF THE
CITY OF RIDGELAND, MISSISSIPPI
August 15, 2023
6:00 PM**

The Mayor opened the August 15, 2023 meeting of the Mayor and Board of Aldermen to order. Present were Alderman Chuck Gautier, Alderman Wesley Hamlin, Alderman Ken Heard, Alderman Kevin Holder, Alderman Brian Ramsey, Alderman D.I. Smith (via telephone), Alderman Bill Lee, City Attorney John Scanlon, and City Clerk Paula Tierce. The meeting was opened with an invocation by Alderman Kevin Holder followed by the pledge of allegiance.

The Mayor and Board of Aldermen were provided the July 2023 Financial Statement and the August 2023 Sales Tax Report.

Next came the recognition of Officer Shannon Hall for being selected "Officer of the Month" for July 2023. Mayor McGee announced that on Monday, July 10, 2023, Officer Hall responded to a call about a child being covered in bruises and abrasions. The caller advised that when the mother dropped off her son she was also covered in bruises. The babysitter examined the child and discovered bruises and a cut with major swelling on the back of the child's head. The caretaker advised that this was the second time the child had been dropped off with bruises. Officer Hall requested Ridgeland Fire Department and Pafford to examine the child. It was recommended the child be transported to Batson Hospital for evaluation. Officer Hall then contacted Child Protective Services and started a case with them. Officer Hall later found out that once the mother got to Batson, the Child Protective Service representative spoke with her and determined that the mother was only 17 years old and the boyfriend had been physically abusing her and her son. Child Protective Services took custody of the mother and the baby. Mayor McGee thanked Officer Hall for her hard work and dedication to the City of Ridgeland and encouraged her to keep up the hard work.

Next came the matter of accepting the Minutes of the July 31, 2023 Work Session and the August 1, 2023 Board of Aldermen meeting. The Minutes were accepted with no corrections noted.

A copy of the notice is attached hereto as Exhibit "A". City Clerk Paula Tierce made a presentation regarding the proposed Fiscal Year 2024 budget. The Mayor asked the audience if there was anyone present that would like to speak that did not sign the list and there was no response. The Mayor then closed the public hearing.

DEFINITION
A STRIP OF UNDISTURBED, ORIGINAL LAND OR VEGETATION SURROUNDING THE LAND-DISTURBED SITE, OR BORDERING STREAMS.

PURPOSE
TO PROVIDE A BUFFER ZONE SERVING ONE OR MORE OF THE FOLLOWING PURPOSES:
- REDUCE STORM RUNOFF VELOCITIES.
- FILTER SEDIMENT IN RUNOFF WATER.
- ACT AS SCREEN FOR "VISION POLLUTION."
- REDUCE CONSTRUCTION NOISE.
- IMPROVE AESTHETICS ON THE LAND DISTURBED.

CONDITIONS
GENERALLY, A NATURAL STRIP OF VEGETATION SHOULD BE PRESERVED AND, IF NEEDED, SUPPLEMENTED TO FORM THE BUFFER ZONE. REFER TO THE MINIMUM REQUIREMENTS IN ACT 599 (O.C.G.A. 12-7-1 et seq.). WHERE NECESSARY, A BUFFER ZONE MAY BE INSTALLED USING THE VEGETATIVE PRACTICES INCLUDED IN THIS MANUAL.
IN MOST CASES, THE BUFFER ZONE WILL BE INCORPORATED INTO THE PERMANENT VEGETATIVE COVER.

DESIGN CONDITIONS
A WIDTH SHOULD BE SELECTED TO PERMIT THE ZONE TO SERVE THE PURPOSE(S) AS LISTED ABOVE. SUPPLEMENTAL PLANTINGS MAY BE USED TO INCREASE THE EFFECTIVENESS OF THE BUFFER ZONE.

SOIL & EROSION CONTROL NOTES

- THE CONTRACTOR SHALL FURNISH AND MAINTAIN ALL NECESSARY BARRICADES WHILE ROADWAY FRONTAGE IMPROVEMENTS ARE BEING MADE.
- THE CONSTRUCTION OF THE SITE WILL INITIATE WITH THE INSTALLATION OF EROSION CONTROL MEASURES SUFFICIENT TO CONTROL SEDIMENT DEPOSITS AND EROSION. ALL SEDIMENT CONTROL WILL BE MAINTAINED UNTIL ALL UPSTREAM GROUND WITHIN THE CONSTRUCTION AREA HAS BEEN COMPLETELY STABILIZED WITH PERMANENT VEGETATION AND ALL ROADS/DRIVEWAYS HAVE BEEN PAVED.
- EROSION CONTROL DEVICES SHALL BE INSTALLED BEFORE GROUND DISTURBANCE OCCURS. THE LOCATION OF SOME OF THE EROSION CONTROL DEVICES MAY HAVE TO BE ALTERED FROM SHOWN ON THE APPROVED PLANS IF DRAINAGE PATTERNS DURING CONSTRUCTION ARE DIFFERENT FROM THE FINAL PROPOSED DRAINAGE PATTERNS. IT IS THE CONTRACTOR'S RESPONSIBILITY TO ACCOMPLISH EROSION CONTROL FOR ALL DRAINAGE PATTERNS CREATED AT VARIOUS STAGES DURING CONSTRUCTION. ANY DIFFICULTY IN CONTROLLING EROSION DURING ANY PHASE OF CONSTRUCTION SHALL BE REPORTED TO THE ENGINEER IMMEDIATELY!!
- ALL SILT BARRIERS MUST BE PLACED AS ACCESS IS OBTAINED DURING CLEARING. NO GRADING SHALL BE DONE UNTIL SILT BARRIER IS INSTALLED.
- CONTRACTOR SHALL MAINTAIN ALL EROSION CONTROL MEASURES UNTIL PERMANENT VEGETATION HAS BEEN ESTABLISHED. CONTRACTOR SHALL CLEAN OUT ALL SEDIMENT PONDS WHEN REQUIRED BY THE ENGINEER. CONTRACTOR SHALL INSPECT EROSION CONTROL MEASURES AT THE END OF EACH WORKING DAY TO ENSURE MEASURES ARE FUNCTIONING PROPERLY.
- THE CONTRACTOR SHALL REMOVE ACCUMULATED SILT WHEN THE SILT IS WITHIN 12" OF THE TOP OF THE SILT FENCE UTILIZED FOR EROSION CONTROL.
- FAILURE TO INSTALL, OPERATE OR MAINTAIN ALL EROSION CONTROL MEASURES WILL RESULT IN ALL CONSTRUCTION BEING STOPPED ON THE JOB SITE UNTIL SUCH MEASURES ARE CORRECTED.
- ALL CONSTRUCTION SHALL CONFORM TO LOCAL STANDARDS AND SPECIFICATIONS.
- A COPY OF THE APPROVED LAND DISTURBANCE PLAN AND PERMIT SHALL BE PRESENT ON THE JOB SITE WHENEVER LAND DISTURBANCE ACTIVITY IS IN PROGRESS.
- PROVIDE CONSTRUCTION EXIT AS SHOWN ON PLANS AND MAINTAIN DURING CONSTRUCTION.
- PROVIDE SILT GATES AT ALL INLETS.
- ANY DISTURBED AREA LEFT EXPOSED FOR A PERIOD GREATER THAN 13 DAYS SHALL BE STABILIZED WITH TEMPORARY SEEDING.
- EROSION CONTROL MEASURES WILL BE MAINTAINED AT ALL TIMES. ADDITIONAL EROSION AND SEDIMENT CONTROL MEASURES WILL BE INSTALLED IF DEEMED NECESSARY BY ONSITE INSPECTION.

Mayor Gene McGee
City of Ridgeland
100 W School St
Ridgeland, MS 39157

Subject: Request to Postpone Conditional Use Permit Approval for Proposed Cellular Communications Tower

Dear Mayor McGee and Esteemed Aldermen,

I am writing as the owner's representative of The Woodlands Office Park located in our cherished Ridgeland community. Since acquiring The Woodlands in May 2023, our team has dedicated countless hours and invested several million dollars into revitalizing the property. Through hard work and commitment, we have secured a variety of highly regarded national and local tenants and achieved a promising occupancy rate of nearly 95%.

A significant aspect of The Woodlands' appeal to businesses and visitors alike is its peaceful, serene setting on twenty lush acres, located conveniently but unassumingly on the County Line Road corridor of Ridgeland. The ambiance and tranquility offered by our property are among its primary selling points, and these have played an instrumental role in our recent success.

We understand and appreciate the needs of our community, and we are aware of the forthcoming board meeting on August 22, 2023, regarding the proposed installation of a 165-foot tall cellular communications tower a mere ten feet from our property line. While we fully recognize the importance of adequate cellular coverage, especially given the recent developments with AT&T's lease termination atop the Southern Farm Bureau, we kindly request the board to consider the broader ramifications of such a decision on our community.

The placement of this towering monopole and transmission site, a mere ten feet from The Woodlands property line, threatens to drastically transform our serene setting, directly impacting our ability to retain valued tenants and attract new ones. The potential repercussions on local commerce and the ambiance of the area are concerning.

With these concerns and as ownership did not receive the required certified mail notification, we respectfully request the Mayor and the Board of Aldermen to postpone the approval of the conditional use permit. This will allow all stakeholders ample time to collaborate and explore alternative solutions that accommodate the community's cellular needs while preserving the integrity and charm of our beloved Ridgeland.

Furthermore, we are more than willing to participate in these discussions. If a new antenna site atop one of our four buildings within The Woodlands Office Park is deemed suitable, we would welcome the opportunity. This could offer a win-win solution – enhancing cellular coverage

without compromising the landscape and charm of the area. Additionally, in the meantime we would welcome a temporary tower to be placed on our property if needed to provide adequate, temporary coverage to the area.

In conclusion, we urge the board to consider the broader interests of our community and the potential long-term consequences of the proposed tower.

Thank you for your attention and consideration. We look forward to working together to find a balanced solution that serves everyone's needs.

Respectfully,

S. Scott Overby, CCIM CPM

²USE EITHER COMMON SERALA, OR INTERSTATE SERICEA LESPEDEZA.

DEFINITION
A STRIP OF UNDISTURBED, ORIGINAL LAND OR VEGETATION SURROUNDING THE LAND-DISTURBED SITE, OR BORDERING STREAMS.

PURPOSE
TO PROVIDE A BUFFER ZONE SERVING ONE OR MORE OF THE FOLLOWING PURPOSES:
- REDUCE STORM RUNOFF VELOCITIES.
- FILTER SEDIMENT IN RUNOFF WATER.
- ACT AS SCREEN FOR "VISION POLLUTION."
- REDUCE CONSTRUCTION NOISE.
- IMPROVE AESTHETICS ON THE LAND DISTURBED.

CONDITIONS
GENERALLY, A NATURAL STRIP OF VEGETATION SHOULD BE PRESERVED AND, IF NEEDED, SUPPLEMENTED TO FORM THE BUFFER ZONE. REFER TO THE MINIMUM REQUIREMENTS IN ACT 599 (O.C.G.A. 12-7-1 et seq.). WHERE NECESSARY, A BUFFER ZONE MAY BE INSTALLED USING THE VEGETATIVE PRACTICES INCLUDED IN THIS MANUAL.
IN MOST CASES, THE BUFFER ZONE WILL BE INCORPORATED INTO THE PERMANENT VEGETATIVE COVER.

DESIGN CONDITIONS
A WIDTH SHOULD BE SELECTED TO PERMIT THE ZONE TO SERVE THE PURPOSE(S) AS LISTED ABOVE. SUPPLEMENTAL PLANTINGS MAY BE USED TO INCREASE THE EFFECTIVENESS OF THE BUFFER ZONE.

BUFFER ZONE (Bf)

SOIL & EROSION CONTROL NOTES

- THE CONTRACTOR SHALL FURNISH AND MAINTAIN ALL NECESSARY BARRICADES WHILE ROADWAY FRONTAGE IMPROVEMENTS ARE BEING MADE.
- THE CONSTRUCTION OF THE SITE WILL INITIATE WITH THE INSTALLATION OF EROSION CONTROL MEASURES SUFFICIENT TO CONTROL SEDIMENT DEPOSITS AND EROSION. ALL SEDIMENT CONTROL WILL BE MAINTAINED UNTIL ALL UPSTREAM GROUND WITHIN THE CONSTRUCTION AREA HAS BEEN COMPLETELY STABILIZED WITH PERMANENT VEGETATION AND ALL ROADS/DRIVEWAYS HAVE BEEN PAVED.
- EROSION CONTROL DEVICES SHALL BE INSTALLED BEFORE GROUND DISTURBANCE OCCURS. THE LOCATION OF SOME OF THE EROSION CONTROL DEVICES MAY HAVE TO BE ALTERED FROM SHOWN ON THE APPROVED PLANS IF DRAINAGE PATTERNS DURING CONSTRUCTION ARE DIFFERENT FROM THE FINAL PROPOSED DRAINAGE PATTERNS. IT IS THE CONTRACTOR'S RESPONSIBILITY TO ACCOMPLISH EROSION CONTROL FOR ALL DRAINAGE PATTERNS CREATED AT VARIOUS STAGES DURING CONSTRUCTION. ANY DIFFICULTY IN CONTROLLING EROSION DURING ANY PHASE OF CONSTRUCTION SHALL BE REPORTED TO THE ENGINEER IMMEDIATELY!!
- ALL SILT BARRIERS MUST BE PLACED AS ACCESS IS OBTAINED DURING CLEARING. NO GRADING SHALL BE DONE UNTIL SILT BARRIER IS INSTALLED.
- CONTRACTOR SHALL MAINTAIN ALL EROSION CONTROL MEASURES UNTIL PERMANENT VEGETATION HAS BEEN ESTABLISHED. CONTRACTOR SHALL CLEAN OUT ALL SEDIMENT PONDS WHEN REQUIRED BY THE ENGINEER. CONTRACTOR SHALL INSPECT EROSION CONTROL MEASURES AT THE END OF EACH WORKING DAY TO ENSURE MEASURES ARE FUNCTIONING PROPERLY.
- THE CONTRACTOR SHALL REMOVE ACCUMULATED SILT WHEN THE SILT IS WITHIN 12" OF THE TOP OF THE SILT FENCE UTILIZED FOR EROSION CONTROL.
- FAILURE TO INSTALL, OPERATE OR MAINTAIN ALL EROSION CONTROL MEASURES WILL RESULT IN ALL CONSTRUCTION BEING STOPPED ON THE JOB SITE UNTIL SUCH MEASURES ARE CORRECTED.
- ALL CONSTRUCTION SHALL CONFORM TO LOCAL STANDARDS AND SPECIFICATIONS.
- A COPY OF THE APPROVED LAND DISTURBANCE PLAN AND PERMIT SHALL BE PRESENT ON THE JOB SITE WHENEVER LAND DISTURBANCE ACTIVITY IS IN PROGRESS.
- PROVIDE CONSTRUCTION EXIT AS SHOWN ON PLANS AND MAINTAIN DURING CONSTRUCTION.
- PROVIDE SILT GATES AT ALL INLETS.
- ANY DISTURBED AREA LEFT EXPOSED FOR A PERIOD GREATER THAN 13 DAYS SHALL BE STABILIZED WITH TEMPORARY SEEDING.
- EROSION CONTROL MEASURES WILL BE MAINTAINED AT ALL TIMES. ADDITIONAL EROSION AND SEDIMENT CONTROL MEASURES WILL BE INSTALLED IF DEEMED NECESSARY BY ONSITE INSPECTION.

EROSION CONTROL PLAN NOTES

- TOTAL DISTURBED SITE AREA ± 1.9 AC.
- VEGETATIVE CONTROLS:** A COMBINATION OF TEMPORARY AND PERMANENT GRASSING WILL BE USED TO PROTECT SLOPES AS CONSTRUCTION PROGRESSES. REFER TO VEGETATION SPECIFICATIONS FOR DETAILS. SHOULD A DISTURBED AREA BE LEFT UNDISTURBED FOR 14 DAYS OR MORE, TEMPORARY OR PERMANENT VEGETATION SHALL BE PLACED IMMEDIATELY.
- STRUCTURAL CONTROLS:** INSTALL CONSTRUCTION ENTRANCES, DIVERSION DITCHES, WATTLE CHECK DAMS, SILT FENCE AND ALL OTHER STRUCTURAL BMPs AS SHOWN BELOW. PERMANENT EROSION CONTROL BMPs AND STRUCTURAL BMPs SHOULD BE PLACED AS SOON AS POSSIBLE TO ENSURE FINAL STABILIZATION OF THE SITE.
- WATTLE CHECK DAMS:** SILT FENCE AND HAY BALES ARE NOT ACCEPTABLE FORMS OF CHECK DAMS WITHIN TEMPORARY DIVERSION DITCHES, SWALES OR OTHER AREAS OF CONCENTRATED FLOW. CONTRACTOR SHALL USE SAND BAGS OR STONE DAMS TO CHECK FLOW. WATTLES MAY ALSO BE USED WHERE LOWER FLOWS/SMALLER DRAINAGE AREAS OCCUR.
- HOUSEKEEPING & MAINTENANCE PRACTICES:** ALL EROSION AND SEDIMENT CONTROL MEASURES SHALL BE CHECKED FOR STABILITY AND OPERATION FOLLOWING EVERY RAINFALL, BUT IN NO CASE LESS THAN ONCE EVERY WEEK. NON-FUNCTIONING EROSION CONTROLS SHALL BE REPAIRED, REPLACED, OR SUPPLEMENTED WITH FUNCTIONAL CONTROLS WITHIN 24 HOURS OF DISCOVERY, OR AS SOON AS FIELD CONDITIONS ALLOW. WALK THROUGH INSPECTIONS ARE RECOMMENDED BEFORE ANTICIPATED STORM EVENTS TO VERIFY THE INTEGRITY OF EROSION CONTROL MEASURES AND TO DETERMINE IF ADDITIONAL MEASURES ARE NEEDED. SEDIMENT BASINS WILL BE CLEANED OUT WHEN THE LEVEL OF SEDIMENT REACHES 2.0 FEET BELOW THE TOP OF THE RISER, AND/OR WHEN THE CAPACITY HAS BEEN REDUCED BY 50%. SILT FENCE SHALL BE CLEANED OUT WHEN SEDIMENT REACHES 1/2 TO 1 OF THE HEIGHT OF THE FENCE. MAINTENANCE AND REPAIR OF EQUIPMENT SHALL BE PERFORMED OFF-SITE. MATERIAL WASH OUT SHALL OCCUR EITHER OFF-SITE OR WITHIN DESIGNATED WASH OUT AREAS.
- POST-CONSTRUCTION CONTROL MEASURES:** AS CONSTRUCTION IS COMPLETED, PERMANENT VEGETATIVE GROWTH SHALL BE ESTABLISHED ON DISTURBED SOILS TO IMPROVE SOIL STABILITY AND PROVIDE A BUFFER ZONE FOR LOOSE MATERIAL. LINED DITCHES SHALL BE INSTALLED AS SPECIFIED IN THE EROSION CONTROL SEQUENCE TO REDUCE EROSION IN CONCENTRATED FLOW AREAS AND RIP-RAP WILL BE PLACED AS SPECIFIED TO DISSIPATE FLOW ENERGY AND REDUCE FLOW VELOCITY. TEMPORARY BMPs MUST BE REMOVED FROM THE SITE WHEN THEY ARE NO LONGER NEEDED.

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (hereinafter the "MOU") is entered into between the Mississippi Outdoor Stewardship Board of Trustees (hereinafter the "Board") and the **City of Ridgeland, MS** (hereinafter "Entity") (collectively, the "parties") for the purpose of establishing the agreed upon conditions under which the Board may disburse funds to assist the Entity in paying costs associated with the local (project) **Freedom Ridge Park and Purple Creek Basin Improvements** (hereinafter the "Project") specified in Miss. Code Ann. Section 49-39-7 (hereinafter the "Act"). This MOU is entered into in accordance with Miss. Code Ann. Section 27-104-351, also known as the Line-Item Appropriation Transparency Act, and pursuant to, and subject to the terms of the Act, which authorizes an amount not to exceed **(\$1,000,000.00)** (hereinafter the "Project Funds"), for the Project. **(IT IS YOUR RESPONSIBILITY TO SPEND THE FUNDS RECEIVED FROM THE STATE IN ACCORDANCE WITH THE ACT AS WELL AS ALL STATE AND FEDERAL LAWS AND REGULATIONS.)**

RECITALS

WHEREAS, The Board is a state agency that acts as **Mississippi Outdoor Stewardship Trust Fund** with a principal place of business at **501 N. West St., Suite 1301, Jackson, MS 39201**.

WHEREAS, the Entity is a state agency, or governmental entity with a principal place of business at **100 West School St., Ridgeland, MS 39157**.

WHEREAS, Miss. Code Ann. Section 49-39-7, authorized expenditures from the Mississippi Outdoor Stewardship Trust Fund for certain projects.

WHEREAS, pursuant to Miss. Code Ann. Section 49-39-7, the Legislature has appropriated funds to the entity to pay the costs of the Project.

WHEREAS, the Act authorizes the Board to disburse monies in the Mississippi Outdoor Stewardship Trust Fund to pay the costs of the Project.

WHEREAS, the Board has requested the entity to maintain on file the documentation listed in "Exhibit A" attached hereto and incorporated herein by reference.

WHEREAS, the Entity shall obtain a builder's risk insurance policy at the time any construction begins. The insurance must cover potential losses after initiation, but before completion, of the construction or modernization caused by theft, fire, vandalism, and other types of accidental loss or damage to the project. The Board may waive this requirement if the Entity shows that it is effectively self-insured against the risks involved. The term "effectively self-insured" shall mean that the recipient has sufficient funds to pay

for any damage, including total replacement, if necessary, or to satisfy any claims against the project.

WHEREAS, The Board shall retain ten percent (10%) of each reimbursement request. Upon the completion of the project and all required documentation has been submitted and approved by the Board, the retainage amount shall be released to the Entity after a final audit is conducted.

WHEREAS, the Entity agrees that the Board shall reimburse the Entity once project expenses have been incurred and paid for by the Entity, proper itemized expenditure documentation has been submitted to the Board, and the Board has approved the requested reimbursement up to the amount in this agreement. Proper documentation includes all invoices, receipts and bank statements associated with the reported expenditures. Reimbursement requests shall be provided within thirty (30) days of each calendar end of the month.

WHEREAS, the Entity agrees expenses directly related to the project scope but incurred prior to this agreement are not reimbursable. Appraisals, project planning, and environmental compliance review expenses may be counted as match only if incurred within eighteen (18) months of this agreement.

WHEREAS, the Entity agrees that any incidental costs or items not directly associated and essential for the completion and execution of a project shall be ineligible for reimbursement or match.

WHEREAS, the Entity agrees that the value of donations and third-party contributions provided at no cost cannot be reimbursed and to be counted towards a project's match, the Entity shall provide an invoice and a letter from the organization acknowledging the donation and its fair market value.

WHEREAS, the Entity agrees that labor donations shall be valued at an hourly rate of pay to be calculated using the Mississippi Median Hourly Wage standards for the most comparable occupation identified on the U.S. Bureau of Labor Statistics site, found at https://www.bls.gov/oes/current/oes_ms.htm, excluding taxes, benefits, and overtime.

WHEREAS, the Entity agrees to expend the funds within twenty-four (24) months from the date of this agreement.

WHEREAS, the Entity agrees that if any proceeds from the Project Funds are remaining at the completion of the Project, the Entity will immediately notify and consult with the Board regarding the disposition of the funds, and said funds shall be directed in accordance with the Act.

WHEREAS, the Entity agrees that the Entity may request project term extensions if the project is expected to exceed the 24-month deadline. Extensions must be requested within a reasonable time before the expiration of the original 24-month deadline. At a

minimum, extension requests must inform the Board of the current status of the project, current expenditures, anticipated completion date, and reason for the delay. The Board, at its discretion, may request any additional information necessary to make its determination. Extensions are limited to ninety (90) day increments and subject to approval by the Board. If approved, the Entity shall sign a Project Agreement Amendment. If disapproved, and this agreement cannot be fulfilled, the Board may deobligate in part or in whole the funds appropriated in this agreement.

WHEREAS, the Entity agrees to provide quarterly reports to the Board which provide an update on the status of the Project including future expenditure of the funds. The quarterly reports must be provided on a form designated by the Board and must include all invoices and bank statements associated with the reported expenditures. The quarterly reports shall be provided within thirty (30) days of each calendar quarter end. The Entity shall also provide to the Board a final report no more than thirty (30) days after final expenditure of funds, summarizing the expenditures and use of the Project Funds upon completion of the Project. All invoices that have not previously been submitted, shall be submitted upon completion of the Project.

WHEREAS, the Board finds that it is in the best interest of the Board and the Entity that the funds on deposit in the Mississippi Outdoor Stewardship Trust Fund for the Entity should be disbursed to the Entity and that the Entity shall directly administer the expenditure of such funds for the Project.

NOW THEREFORE, IT IS MUTALLY AGREED BY THE BOARD AND ADMINISTRATION AND THE ENTITY AS FOLLOWS:

Failure of the Entity to adhere to any provision within this MOU may result in immediate action by the State to recover project funds.

Section 3. The Entity agrees to execute any procurements utilizing the funding in a commercially reasonable manner. Failure to adhere may cause the Board to withhold all sums for the Project and/or seek recovery of the same. Further, the Entity agrees to maintain on file the documentation listed in "Exhibit A" attached hereto and incorporated herein.

Section 4. The Entity agrees to provide the Board quarterly notarized reports as set forth hereinabove, in a format prescribed by the Board. The quarterly reports shall be

provided within thirty (30) days of each calendar quarter end. The Entity shall also provide the Board with a final report summarizing the expenditures and use of the Project Funds no more than thirty (30) days after final expenditure of the Project Funds.

Section 5. The Entity agrees to maintain copies of all invoices, bank statements, and similar documentation for each expenditure of all funds received from the Mississippi Outdoor Stewardship Trust Fund sufficient to satisfy and confirm, to Board satisfaction, that such funds have been expended solely for the costs of the project as authorized and provided by the Act.

Section 6. The Entity agrees that if any proceeds from the Project Fund are remaining at the completion of the Project, the Entity will immediately notify and consult with the Board regarding the disposition of the funds and said funds shall be directed in accordance with the Act.

Section 7. The Entity agrees that Project Funds shall be expended in accordance with all State and Federal laws and regulations, and that failure to do so may cause the Board to withhold funds for the Project or seek recovery of same.

- 1.2 The Ridgeland Fire Department Physical Ability Test consists of nine separate events requiring the individual to progress along a predetermined path from event to event in a continuous manner.
 - 1.2.0 Each event must be performed satisfactorily and the entire course completed within the maximum allowable time.
 - 1.2.1 While accomplishing each event, the individual will wear a 50 pound weight vest, to simulate the weight of self-contained breathing apparatus and firefighter protective clothing.
 - 1.2.2 An additional 25 pounds, which simulates the weight of a hose or high rise pack, will be added for the stair climb event.
 - 1.2.3 There will be a measured walk of specific distances between each event.
 - 1.2.4 Throughout the test, safety will be a prime consideration.
 - 1.2.5 The firefighter must maintain control of all test props and equipment, use proper lifting and carrying techniques, and follow all safety procedures in place.
 - 1.2.6 Unsafe practices in any of these areas will be considered a failure of that event and the event will be repeated.
- 1.3 The test events will be performed in the following order and will include:
 - 1.3.0 **Stair Climb Event**
 - 1.3.0.0 This event uses a StepMill stair climbing machine and consists of a 3 minute test period at approximately 60 steps per minute while wearing a 50 lb. weight vest and an additional 25 lbs. in shoulder weights for a total of 75 lbs.
 - 1.3.0.1 Test time will start with the beginning of this event and continue running until all events are completed or the time limit is exceeded.

1.3.0.2 At the conclusion of this event, the firefighter will dismount the step mill, shoulder weights will be removed and the remainder of the test will be completed wearing only the 50 lb. weight vest.

1.3.0.3 The firefighter will walk 80 feet along a marked course to the next event.

1.3.1 Ladder Carry and Raise

1.3.1.0 In this event the firefighter will remove a 16 ft. roof ladder from a horizontal rack and carry it in a safe and approved manner back along a marked course (100') to a pre-positioned 24 ft. extension ladder.

1.3.1.1 At this point the roof ladder will be placed on the ground and the extension ladder will be raised from the ground to a vertical position using a hand over hand technique and touching every rung. The ladder rails may not be used.

1.3.1.2 The ladder will then be fully extended using a hand over hand method on the halyard until it hits the stop, then lowered, hand over hand and under control, until the fly section is back on the ground.

1.3.1.3 The ladder will then be lowered to the ground in a safe and controlled manner.

1.3.1.4 The firefighter will proceed 120 feet along the marked course to the next event.

1.3.3 Supply Line Extension

1.3.3.0 This event will use a 100 ft., 5" supply line (uncharged).

1.3.3.1 The supply line will be advanced from a designated starting point, in a straight line, 60 ft. to a finish line at a hydrant.

1.3.3.2 The coupling must cross the finish line to complete the event.

1.3.3.3 The firefighter will then proceed 80 feet along the marked course to the next event.

1.3.4 Hose Line Advance and (5) Forcible Entry

1.3.4.0 In this event, the firefighter will use two 1 ¾" hose lines, laid out from a wye, which will be supplied from the hydrant by a 3" supply line.

- 1.3.4.1 An uncharged line with nozzle will be advanced from the wye to a simulated doorway 100 ft. away.
- 1.3.4.2 At the doorway the firefighter will lay down his hose line and, using a ten pound sledge hammer, simulate forcible entry.
- 1.3.4.3 This will require 10 hard side arm swings with the hammer to a 12"x12" target area.
- 1.3.4.4 At this point the firefighter will pick up and advance a pre-positioned 1 ¾" hose line and nozzle (charged) 50 ft. to the first of two target areas.
- 1.3.4.5 Once inside the boundaries of the target area the firefighter will open the nozzle, using a straight stream to hit a target 25 ft. away.
- 1.3.4.6 The firefighter will then properly shut down the nozzle, make a 90 degree turn around a stationary post and advance the hose line to the second target area.
- 1.3.4.7 Once inside this second target area the firefighter will open the nozzle and hit the second target with a straight stream.
- 1.3.4.8 The firefighter will then properly shut the nozzle, lay down the hoseline and continue 50 ft. along a marked course to the next event.
- 1.3.6 **Wall**
 - 1.3.6.0 The firefighter will follow the marked route to a five ft. wall which will be climbed over using the step provided.
 - 1.3.6.1 On this event the firefighters should keep in mind that they are wearing a 50 lb. weight vest, and climb over and down the wall, don't jump to the ground.
 - 1.3.6.2 The firefighter will continue along the marked course 20 ft to the next event.
- 1.3.7 **Search**
 - 1.3.7.0 The firefighter will proceed along a measured path to a 30 inch culvert or pipe which he will enter and, following a right hand pattern, complete a search of a 60 ft "U" shaped section.
 - 1.3.7.1 Long pants or Knee pads and gloves are recommended for this event.
 - 1.3.7.2 The firefighter will then proceed 150 feet along the marked path to the next event.

1.3.8 Rescue

- 1.3.8.0 In this event the firefighter will lift and carry/drag a rescue dummy (approximately 185 lb.) along a marked 80 ft. course.
- 1.3.8.1 This dummy may be carried or dragged using any approved rescue technique as long as all lifting and dragging/carrying is done in a safe and controlled manner, using the legs and keeping the back in a straight or “neutral” position.
- 1.3.8.2 When the dummy is entirely across the marked finish line the event is completed.
- 1.3.8.3 The firefighter will proceed 80 feet along the marked path to the final event.

1.3.9 Ceiling Breach and Pull

- 1.3.9.0 In this event the firefighter will use a machine that simulates the overhead push and pull motions of using a pike pole to pull a ceiling.
- 1.3.9.1 The tip of the pike pole will be used to push upward on one side of the machine and the hook used to pull downward on the other.
- 1.3.9.2 On the upward stroke a weight of 60 lb. will be lifted 10 times to a pre-marked level.
- 1.3.9.3 The downward stroke will require a weight of 80 lbs. to be pulled up 10 times to the same pre-marked point. 10 strokes up and 10 strokes down will constitute one set, with two sets being required to complete the event.
- 1.3.9.4 Time will be stopped at this point and testing is completed.

WHEREAS, the three (3) Jurisdictions may obtain more effective and efficient law enforcement services when Madison County Law Enforcement Officers cooperate with and assist each other in providing said services:

E. SEVERABILITY

If any provision of this Agreement is invalid for any reason, such as invalidation shall not render invalid other provisions of this Agreement that can be given effect without the invalid provision.

RE: Designate RCX Sports/ Football Sole Source

We request that the Mayor & Board of Aldermen designate RCX Sports LLC as a sole source product licensed exclusively by the NFL for the purchase of NFL Flag Football jerseys, flags, and other material associated with our youth flag football program.

This is the same source we have used for ten years or more for flag football equipment and uniforms for our league; however, a significant increase in participation this year has driven our numbers up to the point that the purchase is now more than the \$5,000.00 threshold for obtaining quotes or bids.

Thank you for your consideration of this request.

June 13, 2023

To the Honorable Mayor and Board of Aldermen and Management
City of Ridgeland, Mississippi
P.O. Box 217
Ridgeland, Mississippi 39158

We are pleased to confirm our understanding of the services we are to provide City of Ridgeland, Mississippi (the City) for the year ended September 30, 2023.

Audit Scope and Objectives

We will audit the financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information, including the disclosures, which collectively comprise the basic financial statements, of City of Ridgeland, Mississippi as of and for the year ended September 30, 2023. Accounting standards generally accepted in the United States of America (GAAP) provide for certain required supplementary information (RSI), such as management's discussion and analysis (MD&A), to supplement the City's basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. As part of our engagement, we will apply certain limited procedures to the City's RSI in accordance with auditing standards generally accepted in the United States of America (GAAS). These limited procedures will consist of inquiries of management regarding the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We will not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient appropriate evidence to express an opinion or provide any assurance. The following RSI is required by GAAP and will be subjected to certain limited procedures, but will not be audited:

- 1) Management's Discussion and Analysis.
- 2) Budgetary Comparison Schedule for General Fund and any major special revenue funds.

Audit Scope and Objectives - continued:

- 3) Schedule of the City's Proportionate Share of the Net Pension Liability.
- 4) Schedule of the City's Contributions.
- 5) Notes to the Required Supplementary Information.

We have also been engaged to report on supplementary information other than RSI that accompanies the City's financial statements. We will subject the following supplementary information to the auditing procedures applied in our audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS, and we will provide an opinion on it in relation to the financial statements as a whole in a report combined with our auditor's report on the financial statements:

- 1) Schedule of Expenditures of Federal Awards (if applicable).
- 2) Combining and Individual Fund Statements and Schedules.

In connection with our audit of the basic financial statements, we will read the following other information and consider whether a material inconsistency exists between the other information and the basic financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

- 1) Introductory Section.
- 2) Supplemental Information Section.
- 3) Statistical Section.

The objectives of our audit are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and issue an auditor's report that includes our opinions about whether your financial statements are fairly presented, in all material respects, in conformity with GAAP, and report on the fairness of the supplementary information referred to in the second paragraph when considered in relation to the financial statements as a whole. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. Misstatements, including omissions, can arise from fraud or error and are considered

Audit Scope and Objectives - continued:

material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment of a reasonable user made based on the financial statements. The objectives also include reporting on:

- Internal control over financial reporting and compliance with provisions of laws, regulations, contracts, and award agreements, noncompliance with which could have a material effect on the financial statements in accordance with *Government Auditing Standards*.
- Internal control over compliance related to major programs and an opinion (or disclaimer of opinion) on compliance with federal statutes, regulations, and the terms and conditions of federal awards that could have a direct and material effect on each major program in accordance with the Single Audit Act Amendments of 1996 and Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance).

Auditor's Responsibilities for the Audit of the Financial Statements

We will conduct our audit in accordance with GAAS; the standards for financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; the Single Audit Act Amendments of 1996 (if applicable); and the provisions of the Uniform Guidance (if applicable), and will include tests of accounting records, a determination of major program(s) in accordance with Uniform Guidance, and other procedures we consider necessary to enable us to express such opinions. As part of an audit in accordance with GAAS and *Government Auditing Standards*, we exercise professional judgment and maintain professional skepticism throughout the audit.

We will evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management. We will also evaluate the overall presentation of the financial statements, including the disclosures, and determine whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation. We will plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations that are attributable to the government or to acts by management or employees acting on behalf of the government. Because the determination of waste and abuse is subjective, *Government Auditing Standards* do not expect auditors to perform specific procedures to detect waste or abuse in financial audits nor do they expect auditors to provide reasonable assurance of detecting waste or abuse.

Auditor's Responsibilities for the Audit of the Financial Statements - continued:

Because of the inherent limitations of an audit, combined with the inherent limitations of internal control, and because we will not perform a detailed examination of all transactions, there is an unavoidable risk that some material misstatements or noncompliance may not be detected by us, even though the audit is properly planned and performed in accordance with GAAS and *Government Auditing Standards*. In addition, an audit is not designed to detect immaterial misstatements or violations of laws or governmental regulations that do not have a direct and material effect on the financial statements or on major programs. However, we will inform the appropriate level of management of any material errors, any fraudulent financial reporting, or misappropriation of assets that come to our attention. We will also inform the appropriate level of management of any violations of laws or governmental regulations that come to our attention, unless clearly inconsequential. We will include such matters in the reports required for a Single Audit. Our responsibility as auditors is limited to the period covered by our audit and does not extend to any later periods for which we are not engaged as auditors.

We will also conclude, based on the audit evidence obtained, whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the government's ability to continue as a going concern for a reasonable period of time.

Our procedures will include tests of documentary evidence supporting the transactions recorded in the accounts, tests of the physical existence of inventories, and direct confirmation of receivables and certain assets and liabilities by correspondence with selected individuals, funding sources, creditors, and financial institutions. We will also request written representations from your attorneys as part of the engagement.

We have identified the following significant risks, subject to change during audit planning:

- Improper revenue recognition.
- Management override of internal controls.

We may, from time to time and depending on the circumstances, use third-party service providers in serving your account. We may share confidential information about you with these service providers but remain committed to maintaining the confidentiality and security of your information. Accordingly, we maintain internal policies, procedures, and safeguards to protect the confidentiality of your personal information. In addition, we will secure confidentiality agreements with all service providers to maintain the confidentiality of your information, and we will take reasonable precautions to determine that they have appropriate procedures in place to prevent the unauthorized release of your confidential information to others. In the event that we are unable to secure an appropriate confidentiality agreement, you will be asked to provide your

Auditor's Responsibilities for the Audit of the Financial Statements - continued:

consent prior to the sharing of your confidential information with the third-party service provider. Furthermore, we will remain responsible for the work provided by any such third-party service providers.

Our audit of financial statements does not relieve you of your responsibilities.

Audit Procedures - Internal Control

We will obtain an understanding of the government and its environment, including internal control relevant to the audit, sufficient to identify and assess the risks of material misstatement of the financial statements, whether due to error or fraud, and to design and perform audit procedures responsive to those risks and obtain evidence that is sufficient and appropriate to provide a basis for our opinions. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentation, or the override of internal control. Tests of controls may be performed to test the effectiveness of certain controls that we consider relevant to preventing and detecting errors and fraud that are material to the financial statements and to preventing and detecting misstatements resulting from illegal acts and other noncompliance matters that have a direct and material effect on the financial statements. Our tests, if performed, will be less in scope than would be necessary to render an opinion on internal control and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to *Government Auditing Standards* (if applicable).

As required by the Uniform Guidance, we will perform tests of controls over compliance to evaluate the effectiveness of the design and operation of controls that we consider relevant to preventing or detecting material noncompliance with compliance requirements applicable to each major federal award program (if applicable). However, our tests will be less in scope than would be necessary to render an opinion on those controls and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to the Uniform Guidance.

An audit is not designed to provide assurance on internal control or to identify significant deficiencies or material weaknesses. Accordingly, we will express no such opinion. However, during the audit, we will communicate to management and those charged with governance internal control related matters that are required to be communicated under AICPA professional standards, *Government Auditing Standards*, and the Uniform Guidance, as applicable.

Audit Procedures - Compliance

As part of obtaining reasonable assurance about whether the financial statements are free of material misstatement, we will perform tests of the City's compliance with provisions of applicable laws, regulations, contracts, and agreements, including grant agreements. However, the

Audit Procedures - Compliance - continued:

objective of those procedures will not be to provide an opinion on overall compliance, and we will not express such an opinion in our report on compliance issued pursuant to *Government Auditing Standards*.

The Uniform Guidance requires that we also plan and perform the audit to obtain reasonable assurance about whether the auditee has complied with federal statutes, regulations, and the terms and conditions of federal awards applicable to major programs. Our procedures will consist of tests of transactions and other applicable procedures described in the *OMB Compliance Supplement* for the types of compliance requirements that could have a direct and material effect on each of the City's major programs (if applicable). For federal programs that are included in the Compliance Supplement, our compliance and internal control procedures will relate to the compliance requirements that the Compliance Supplement identifies as being subject to audit. The purpose of these procedures will be to express an opinion on the City's compliance with requirements applicable to each of its major programs in our report on compliance issued pursuant to the Uniform Guidance.

Other Services

We will also assist in preparing the financial statements, schedule of expenditures of federal awards (if applicable), and related notes of City of Ridgeland, Mississippi in conformity with accounting principles generally accepted in the United States of America and the Uniform Guidance based on information provided by you. These nonaudit services do not constitute an audit under *Government Auditing Standards* and such services will not be conducted in accordance with *Government Auditing Standards*. We will perform the services in accordance with applicable professional standards. The other services are limited to the financial statements, schedule of expenditures of federal awards, and related notes services previously defined. We, in our sole professional judgment, reserve the right to refuse to perform any procedure or take any action that could be construed as assuming management responsibilities.

You agree to assume all management responsibilities for the financial statements, schedule of expenditures of federal awards, and related notes, and any other nonaudit services we provide. You will be required to acknowledge, in the management representation letter, our assistance with preparation of the financial statements, the schedule of expenditures of federal awards, and related notes and that you have reviewed and approved the financial statements, the schedule of expenditures of federal awards, and related notes prior to their issuance and have accepted responsibility for them. Further, you agree to oversee the nonaudit services by designating an individual, preferably from senior management, with suitable skill, knowledge, or experience; evaluate the adequacy and results of those services; and accept responsibility for them.

Responsibilities of Management for the Financial Statements and Single Audit

Our audit will be conducted on the basis that you acknowledge and understand your responsibility for (1) designing, implementing, establishing, and maintaining effective internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error, including internal controls over federal awards, and for evaluating and monitoring ongoing activities to help ensure that appropriate goals and objectives are met; (2) following laws and regulations; (3) ensuring that there is reasonable assurance that government programs are administered in compliance with compliance requirements; and (4) ensuring that management and financial information is reliable and properly reported. Management is also responsible for implementing systems designed to achieve compliance with applicable laws, regulations, contracts, and grant agreements. You are also responsible for the selection and application of accounting principles; for the preparation and fair presentation of the financial statements, schedule of expenditures of federal awards, and all accompanying information in conformity with GAAP; and for compliance with applicable laws and regulations (including federal statutes), rules, and the provisions of contracts and grant agreements (including award agreements). Your responsibilities also include identifying significant contractor relationships in which the contractor has responsibility for program compliance and for the accuracy and completeness of that information.

You are also responsible for making drafts of financial statements, schedule of expenditures of federal awards, all financial records, and related information available to us and for the accuracy and completeness of that information (including information from outside of the general and subsidiary ledgers). You are also responsible for providing us with (1) access to all information of which you are aware that is relevant to the preparation and fair presentation of the financial statements, such as records, documentation, identification of all related parties and all related-party relationships and transactions, and other matters; (2) access to personnel, accounts, books, records, supporting documentation, and other information as needed to perform an audit under the Uniform Guidance; (3) additional information that we may request for the purpose of the audit; and (4) unrestricted access to persons within the government from whom we determine it necessary to obtain audit evidence. At the conclusion of our audit, we will require certain written representations from you about the financial statements; schedule of expenditures of federal awards; federal award programs; compliance with laws, regulations, contracts, and grant agreements; and related matters.

Your responsibilities include adjusting the financial statements to correct material misstatements and confirming to us in the management representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements of each opinion unit taken as a whole.

You are responsible for the design and implementation of programs and controls to prevent and detect fraud, and for informing us about all known or suspected fraud affecting the government

Responsibilities of Management for the Financial Statements and Single Audit - continued:

involving (1) management, (2) employees who have significant roles in internal control, and (3) others where the fraud could have a material effect on the financial statements. Your responsibilities include informing us of your knowledge of any allegations of fraud or suspected fraud affecting the government received in communications from employees, former employees, grantors, regulators, or others. In addition, you are responsible for identifying and ensuring that the government complies with applicable laws, regulations, contracts, agreements, and grants. You are also responsible for taking timely and appropriate steps to remedy fraud and noncompliance with provisions of laws, regulations, contracts, and grant agreements that we report. Additionally, as required by the Uniform Guidance, it is management's responsibility to evaluate and monitor noncompliance with federal statutes, regulations, and the terms and conditions of federal awards; take prompt action when instances of noncompliance are identified including noncompliance identified in audit findings; promptly follow up and take corrective action on reported audit findings; and prepare a summary schedule of prior audit findings and a separate corrective action plan.

You are responsible for identifying all federal awards received and understanding and complying with the compliance requirements and for the preparation of the schedule of expenditures of federal awards (including notes and noncash assistance received, and COVID-19-related concepts, such as lost revenues, if applicable) in conformity with the Uniform Guidance (if applicable). You agree to include our report on the schedule of expenditures of federal awards in any document that contains, and indicates that we have reported on, the schedule of expenditures of federal awards. You also agree to include the audited financial statements with any presentation of the schedule of expenditures of federal awards that includes our report thereon OR make the audited financial statements readily available to intended users of the schedule of expenditures of federal awards no later than the date the schedule of expenditures of federal awards is issued with our report thereon. Your responsibilities include acknowledging to us in the written representation letter that (1) you are responsible for presentation of the schedule of expenditures of federal awards in accordance with the Uniform Guidance; (2) you believe the schedule of expenditures of federal awards, including its form and content, is stated fairly in accordance with the Uniform Guidance; (3) the methods of measurement or presentation have not changed from those used in the prior period (or, if they have changed, the reasons for such changes); and (4) you have disclosed to us any significant assumptions or interpretations underlying the measurement or presentation of the schedule of expenditures of federal awards.

You are also responsible for the preparation of the other supplementary information, which we have been engaged to report on, in conformity with GAAP. You agree to include our report on the supplementary information in any document that contains, and indicates that we have reported on, the supplementary information. You also agree to include the audited financial statements with any presentation of the supplementary information that includes our report thereon OR make the audited financial statements readily available to users of the supplementary information no later than the date the supplementary information is issued with our report thereon.

Responsibilities of Management for the Financial Statements and Single Audit - continued:

Your responsibilities include acknowledging to us in the written representation letter that (1) you are responsible for presentation of the supplementary information in accordance with GAAP; (2) you believe the supplementary information, including its form and content, is fairly presented in accordance with GAAP; (3) the methods of measurement or presentation have not changed from those used in the prior period (or, if they have changed, the reasons for such changes); and (4) you have disclosed to us any significant assumptions or interpretations underlying the measurement or presentation of the supplementary information.

Management is responsible for establishing and maintaining a process for tracking the status of audit findings and recommendations. Management is also responsible for identifying and providing report copies of previous financial audits, attestation engagements, performance audits, or other studies related to the objectives discussed in the Audit Scope and Objectives section of this letter. This responsibility includes relaying to us corrective actions taken to address significant findings and recommendations resulting from those audits, attestation engagements, performance audits, or studies. You are also responsible for providing management's views on our current findings, conclusions, and recommendations, as well as your planned corrective actions for the report, and for the timing and format for providing that information.

Engagement Administration, Fees, and Other

We understand that your employees will prepare all cash, accounts receivable, or other confirmations we request and will locate any documents selected by us for testing.

At the conclusion of the engagement, we will complete the appropriate sections of the Data Collection Form that summarize our audit findings (if applicable). It is management's responsibility to electronically submit the reporting package (including financial statements, schedule of expenditures of federal awards, summary schedule of prior audit findings, auditor's reports, and corrective action plan) along with the Data Collection Form to the federal audit clearinghouse. We will coordinate with you the electronic submission and certification. The Data Collection Form and the reporting package must be submitted within the earlier of 30 calendar days after receipt of the auditor's reports or nine months after the end of the audit period.

We will provide copies of our reports to the City; however, management is responsible for distribution of the reports and the financial statements. Unless restricted by law or regulation, or containing privileged and confidential information, copies of our reports are to be made available for public inspection.

The audit documentation for this engagement is the property of Haddox Reid Eubank Betts PLLC and constitutes confidential information. However, subject to applicable laws and regulations, audit documentation and appropriate individuals will be made available upon request

and in a timely manner to Oversight or its designee, a federal agency providing direct or indirect funding, or the U.S. Government Accountability Office for the purposes of a quality review of the audit, to resolve audit findings, or to carry out oversight responsibilities. We will notify you of any such request. If requested, access to such audit documentation will be provided under the supervision of Haddox Reid Eubank Betts PLLC personnel. Furthermore, upon request, we may provide copies of selected audit documentation to the aforementioned parties. These parties may intend or decide to distribute the copies or information contained therein to others, including other governmental agencies.

The audit documentation for this engagement will be retained for a minimum of five years after the report release date or for any additional period requested by the Oversight agency. If we are aware that a federal awarding agency or auditee is contesting an audit finding, we will contact the party(ies) contesting the audit finding for guidance prior to destroying the audit documentation.

Aaron Cooper is the engagement partner and is responsible for supervising the engagement and signing the reports or authorizing another individual to sign them.

Our fee for services will be at our standard hourly rates plus out-of-pocket costs (such as report reproduction, word processing, postage, travel, copies, telephone, etc.) except that we agree that our gross fee, including expenses, will not exceed \$85,000. Our standard hourly rates vary according to the degree of responsibility involved and the experience level of the personnel assigned to your audit. Our invoices for these fees will be rendered each month as work progresses and are payable on presentation. In accordance with our firm policies, work may be suspended if your account becomes 30 days or more overdue and may not be resumed until your account is paid in full. If we elect to terminate our services for nonpayment, our engagement will be deemed to have been completed upon written notification of termination, even if we have not completed our report. You will be obligated to compensate us for all time expended and to reimburse us for all out-of-pocket costs through the date of termination. The above fee is based on anticipated cooperation from your personnel and the assumption that unexpected circumstances will not be encountered during the audit. If significant additional time is necessary, we will discuss it with you and arrive at a new fee estimate before we incur the additional costs.

Reporting

We will issue written reports upon completion of our audit of the City's financial statements. Our reports will be addressed to the board of aldermen and management of the City of Ridgeland, Mississippi. Circumstances may arise in which our report may differ from its expected form and content based on the results of our audit. Depending on the nature of these circumstances, it may be necessary for us to modify our opinions, add a separate section, or add an emphasis-of-matter or other-matter paragraph to our auditor's report, or if necessary, withdraw

from this engagement. If our opinions are other than unmodified, we will discuss the reasons with you in advance. If, for any reason, we are unable to complete the audit or are unable to form or have not formed opinions, we may decline to express opinions or issue reports, or we may withdraw from this engagement.

The *Government Auditing Standards* report on internal control over financial reporting and on compliance and other matters (if applicable) will state that (1) the purpose of the report is solely to describe the scope of testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance, and (2) the report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. The Uniform Guidance report on internal control over compliance will state that the purpose of the report on internal control over compliance is solely to describe the scope of testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Both reports will state that the report is not suitable for any other purpose.
